

Docket No. 3562-22 Ref: Signature Date

- From:Chairman, Board for Correction of Naval RecordsTo:Secretary of the Navy
- Subj: REVIEW OF NAVAL RECORD ICO
- Ref: (a) Title 10 U.S.C. § 1552 (b) BUPERSINST 1430.16G
- Encl: (1) DD Form 149 w/attachments
 (2) NPC memo 1430 PERS 8031/278, 26 Jul 22
 (3) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to establish retroactive advancement to Information Systems Technician (Submarine) First Class (ITS1)/E-6 from the September 2020 (Cycle 248) Navy Wide Advancement Examination (NWAE).

2. The Board, consisting of a second second

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, he exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board made the following findings:

a. In September 2020, Petitioner participated in Cycle 248 NWAE and passed not advanced; however, he was erroneously tested for ITS1, Communications (IRM1)/E-6 vice ITS1 Electronics (IEW1)/E-6.

b. In March 2021, Petitioner participated in Cycle 251 NWAE and advanced to ITS1/E-6 effective 16 December 2021.

c. On 1 August 2022, Navy Education and Training Professional Development Center (NETPDC) provided a standard score comparison of the March 2021 (Cycle 251) NWAE ITS1 (IEW)/E-6 to September 2021 (Cycle 248) ITS1 (IEW)/E-6. Petitioner's Final Multiple Score (FMS) after comparison is 118.62 and the Minimum Multiple Required (MMR) was 20.00.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2),¹ the Board finds the existence of an injustice warranting the following corrective action. The Board concluded Petitioner's Command was provided ample direction on submitting an exception to policy (ETP) to Director, Military Personnel Plans and Policy (N13); however, the Command failed to submit the request before the limiting date and the ETP limiting date in accordance with reference (b), thereby requiring Board action. The Board determined, Petitioner merited a standard score comparison and per NETPDC, he exceeded the MMR for advancement to ITS1 (IEW1)/E-6, therefore, under these circumstances, relief is warranted.

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner's Examination Profile Information and Exam Status sheet from the September 2020 (Cycle 248) NWAE is amended to reflect Exam Rate "IEW1" vice "IRM1"; Exam Standard Score "44.92" vice "50.64"; FMS "118.62" vice "124.34"; and MMR "20.00" vice "133.85."

Petitioner advanced to ITS1/E-6 effective "16 June 2021" vice "16 December 2021" with a time-inrate date of "1 January 2021" vice "1 July 2021."

Defense Finance and Accounting Service will complete an audit of Petitioner's records to determine retroactive pay and allowances entitlement.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.

	8/17/2022
Deputy Director	

¹ Enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.
