Ref: (a) Title 10 U.S.C. § 1552
(b) JTR, Chapter 5

Encl: (1) DD Form 149 w/attachments
(2) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to establish entitlement to reimbursement of personally procured move (PPM).

2. The Board, consisting of [REDACTED], [REDACTED] and [REDACTED] reviewed Petitioner's allegations of error and injustice on 5 July 2022 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, he exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board made the following findings:

- a. On 28 March 2022, Petitioner initiated a PPM and began terminal leave.
- b. On 1 May 2022, Petitioner was released from active duty and transferred to the Navy Reserve.
- c. On 5 May 2022, Petitioner was issued BUPERS Order: 1252 (Official Separation Orders).
- d. On 20 May 2022, Petitioner issued notification of denied claim from the Household Goods - Audit Team (HHG-AT).

CONCLUSION

Upon review and consideration of all the evidence of record, the Board finds the existence of an injustice warranting the following corrective action. Petitioner completed PPM prior to the issuance of Official Separation Orders, thereby impeding him from receiving reimbursement for the PPM in accordance with reference (b). However, the Board felt the orders were not issued in a timely manner; therefore, under these circumstances, relief is warranted.

RECOMMENDATION

Petitioner's Official Separation Orders (BUPERS Order: 1252) was issued on "27 March 2022" vice "5 May 2022." Note: Petitioner must resubmit PPM claim and a copy of this Board for Correction of Naval Records (BCNR) decision letter to HHG-AT for adjudication. Furthermore, settlement of claim is chargeable to the line of accounting on Petitioner's Official Separation Orders (BUPERS Order: 1252).

That no further changes be made to Petitioner's naval record.

That a copy of this report of proceedings be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
