(2) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to establish eligibility to transfer Post-9/11 GI Bill education benefits to eligible dependents.

2. The Board, consisting of [REDACTED], [REDACTED], and [REDACTED] reviewed Petitioner's allegations of error and injustice on 29 June 2022 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, he exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board made the following findings:

a. Petitioner's Active Duty Service Date was 23 May 1997.

b. Petitioner submitted transfer of education benefits (TEB) application on 8 August 2011. On the same day, the Service rejected the application indicating, Petitioner "had not committed to the required additional service time."

c. On 7 October 2011, Petitioner signed "4-Year Service Obligation for Transfer of Post 9-11 GI-Bill Benefits" NAVPERS 1070/613, Administrative Remarks and it was entered into his Electronic Service Record (ESR).

d. Petitioner transferred to the Retired List effective 1 January 2021.

CONCLUSION

Upon review and consideration of all the evidence of record, the Board finds the existence of an injustice warranting the following corrective action. Petitioner met the basic eligibility criteria to transfer Post-9/11 education benefits to his eligible dependents; however, he failed to complete the administrative

requirements outlined in reference (c)¹. Although Petitioner did not complete the proper administrative requirements, the Board concluded that he completed over 9 years of active duty service after submitting his TEB application on 8 August 2011 and NAVPERS 1070/613, Administrative Remarks on 7 October 2011, thereby meeting the spirit and intent of reference (b)². Therefore, the Board felt under these circumstances, relief is warranted.

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner elected to transfer unused education benefits to [REDACTED]/30-months through the MilConnect TEB portal on 7 October 2011.

Commander, Navy Personnel Command (PERS-314) reviewed Petitioner's TEB application and it was approved on 7 October 2011 with a 4-year service obligation.

That no further changes be made to Petitioner's naval record.

That a copy of this report of proceedings be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.

¹ Reference (c), the option to transfer a Service member's unused education benefits to an eligible dependent required a 4-year additional service obligation at the time of election. Additionally, all officers were required to have a NAVPERS 1070/613, Administrative Remarks, prepared by their command in the Navy Standard Integrated Personnel System ESR, agreeing to serve the required additional years of service prior to initiating their electronic transfer election. Furthermore, the policy directed members to periodically check the status of their application; a denied TEB application required members to take corrective action and reapply with a new service obligation end date.

² Reference (b), the Post-9/11 Veterans Educational Assistance Act (Post-9/11 GI Bill, Public Law 110-252) was signed into law on 30 June 2008 and became effective on 1 August 2009. The bill provides financial support for education and housing for service members with at least 90 days of service on or after 11 September 2001. The act also includes provision for qualifying service members to transfer education benefits to their eligible dependents. General descriptions of the essential components of the law were widely available beginning in summer 2008 but specific implementing guidance was not published until summer 2009.
