

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
701 S. COURTHOUSE ROAD, SUITE 1001
ARLINGTON, VA 22204-2490

██████████
Docket No. 4293-22
Ref: Signature Date

From: Chairman, Board for Correction of Naval Records
To: Secretary of the Navy

Subj: REVIEW OF NAVAL RECORD ICO ██████████, USN,
XXX-XX-██████████

Ref: (a) Title 10 U.S.C. § 1552

Encl: (1) DD Form 149 w/attachments
(2) BUPERS memo 1160 Ser B328/064 of 14 Jun 22
(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to reflect reenlisting in the Full Time Support (FTS) status vice Active Component (AC).

2. The Board, consisting of ██████████, ██████████, and ██████████ reviewed Petitioner's allegations of error and injustice on 30 June 2022 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, he exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board made the following findings:

a. Petitioner enlisted on 29 June 2016 in the Navy FTS program; Active Duty Service Date is 17 November 2016.

b. On 22 January 2021, Petitioner issued BUPERS Order: ██████████ (Official Change Duty Orders) that required obligated service to April 2025—two subsequent modification to the orders were issued on 19 March 2021 and 13 May 2021.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2)¹, the Board finds the existence of an injustice warranting the following corrective action. Petitioner is an FTS (Branch Class 32) Sailor that erroneously executed NAVPERS 1070/601, Immediate Reenlistment Contract for a 5-year term on 21 May 2021 in an AC (Branch Class 11) status. However,

¹ Enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.

Subj: REVIEW OF NAVAL RECORD ICO [REDACTED], USN,
XXX-XX-[REDACTED]

BUPERS-32 did not authorize Petitioner to reenlist in the AC, therefore, the Board felt under these circumstances a measure of relief is warranted.

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner's NAVPERS 1070/601, Immediate Reenlistment Contract executed on 21 May 2021 for a term of 5 years is modified to reflect BR/CL: "USNR/32" vice "USN/11" and RADO MONTHS/DAYS as "060/000," vice "000/000."

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.

7/15/2022
