1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to show that block 17c of the Armed Forces of the United States Report of Transfer or Discharge (DD Form 214N) ending on 9 December 1971 reflects "4 January 1968" vice "4 January 1969".

2. The Board, consisting of [REDACTED] reviewed Petitioner's allegations of error and injustice on 11 October 2022 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of reference (b)¹ and enclosure (2), the Board finds the existence of an injustice warranting the following corrective action. The Board concluded that Block 17c is incorrect on Petitioner's DD Form 214N executed 9 December 1971, listing 4 January 1969 as his date of entry. Petitioner entered active duty on 4 January 1968.

RECOMMENDATION

Petitioner will be issued a DD Form 215 to his DD Form 214N executed on 9 December 1971, block 17c (date of entry) was "4 January 1968" vice "4 January 1969." Note: That any other entries affected by the Board's recommendation be corrected.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.
