Dear █

This is in reference to your application for correction of your naval record pursuant to Section 1552 of Title 10, United States Code. After careful and conscientious consideration of relevant portions of your naval record and your application, the Board for Correction of Naval Records (Board) found the evidence submitted insufficient to establish the existence of probable material error or injustice. Consequently, your application has been denied.

A three-member panel of the Board, sitting in executive session, considered your application on 30 August 2022. The names and votes of the members of the panel will be furnished upon request. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, relevant portions of your naval record and applicable statutes, regulations, and policies. In addition, the Board also considered the advisory opinion (AO) by Commander, Naval Supply Systems Command letter 5420 Ser SUP 04/072 of 20 July 2022, which was previously provided to you. You were afforded an opportunity to submit a rebuttal, but did not do so.

In accordance with the Joint Travel Regulations (JTR), a Service member on active duty who separates or is released from the Service, unless otherwise specified in this section, may be eligible for Permanent Change of Station travel and transportation allowances for his or herself and for a dependent. The Service member must have a break in service of at least 1 day and actually travel. A Service member is authorized travel from the last permanent duty station (PDS) to his or her home of record (HOR) or place from which called or ordered to active duty (PLEAD). A dependent is authorized travel from the PDS or place where he or she was last transported at government expense to the HOR or PLEAD, whichever the Service member selects. A different location may be selected or travel may be between other locations. However, reimbursement is limited to the amount that would have been paid if the Service member had traveled from the last PDS to the HOR or PLEAD.

On 20 October 2021 you were issued official separation orders (BUPERS order: 2931) while stationed in █ with an effective date of departure of April 2022. Your place elected for travel was █ and your home of record was █ with an effective date of separation 11 April 2022.

You were discharged with an honorable character of service and were issued a DD Form 214 for the period of 19 April 2010 to 11 April 2022 upon completion of required active service.
