From: Chairman, Board for Correction of Naval Records

To: Secretary of the Navy

Subj: REVIEW OF NAVAL RECORD OF

- Ref: (a) 10 U.S.C. §1552 (b) OSD/DOD Name Change Provisions/Guidance
- Encl: (1) DD Form 149 with attachments (2) Case Summary

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to reflect a name change.

2. The Board, consisting of **Sector** reviewed Petitioner's allegations of error and injustice on 11 July 2022, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of the naval records, applicable statutes, regulations, and policies to include reference (b).

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Although enclosure (1) was not filed in a timely manner, it is in the interests of justice to waive the statute of limitations and review the application on its merits.

c. Petitioner's enlistment contract dated 2 April 1992 indicates he was married prior to enlistment and enlisted under the name of the second second

d. Petitioner enlisted in the Navy and began a period of active duty on 10 February 1993. Petitioner was discharged on 13 December 1996. At the time of his discharge, he was issued a Certificate of Release or Discharge from Active Duty (DD Form 214) that indicated his name as e. On 5 July 2001, the District Court granted Petitioner's request to change his name to due to divorce.

f. On 14 August 2006 the District Court granted Petitioner's request to change his name to due to gender reassignment and in order to align with his gender identity.

g. On 30 November 2009 the District Court granted Petitioner's request to change his name to due to dissolution of a former domestic partnership and completion of his gender reassignment process.

h. In support of his request, Petitioner provided multiple forms of documentation to include his passport, driver's license, social security card, three court orders, two letters from his treating medical providers, and birth certificate.

i. Based on the guidance reflected in reference (b) from the Office of the Secretary of Defense and Department of Defense, former military personnel who have legally changed their name and sex, or are the subject of gender reassignment, may have their DD Form 214 changed to accurately reflect their present name and sex/gender. In this regard, the change may allow them to obtain various benefits, services, employment, etc., without being subject to otherwise invasive questions.

CONCLUSION

Upon review and consideration of all the evidence of record, the Board concludes Petitioner's request warrants favorable action.

In regard to Petitioner's name change, the Board noted Petitioner provided sufficient legal evidence to support his request. The Board found the legal actions taken by civilian authorities to change Petitioner's name to align with his gender identity, along with the provisions/guidance of reference (b), support a change to his DD Form 214 to reflect Petitioner's legal name.

The Board noted that typically a DD Form 215 would be issued to correct the record; however, the Board concluded a new and updated DD Form 214 is warranted to eliminate the possibility of invasive questions. The Board further concluded that no other changes should be made to Petitioner's record (including not making changes to gender identifiers), and that both the previously issued DD Form 214, and the new DD Form 214 bearing the name should remain in the record for historical purposes.

RECOMMENDATION

In view of the above, the Board directs the following corrective action.

That Petitioner be issued a new DD Form 214 and that Block 1 reflect the name

instead of
