(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that her naval record be corrected to reflect retroactive enrollment into the Blended Retirement System (BRS).

2. The Board, consisting of [REDACTED] reviewed Petitioner's allegations of error and injustice on 7 September 2022 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, he exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board made the following findings:

a. On 2 February 2019 Petitioner completed the Uniformed Services BRS.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2),¹ the Board finds the existence of an injustice warranting the following corrective action. Petitioner met the eligibility criteria for BRS, however, failed to complete the election process as outlined in reference (b). Although Petitioner did not complete the proper administrative requirements, the Board felt that under these circumstances, a measure of partial relief is warranted.

¹ Enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner is authorized to opt into BRS within 30-days of receiving this decision document.

The part of the Petitioner's request for corrective action that exceeds the foregoing is denied. Petitioner failed to provide evidence to support his assertion of automatic enrollment in BRS. Consequently, backdated BRS enrollment is not authorized.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
