Encl: (1) DD Form 149 w/attachments

(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to be advanced to Naval Aircrewman Mechanical (AWF1)/E-6 from the August 2010 (Cycle 087) Navy Wide Advancement Examination (NWAE).

2. The Board, consisting of █ reviewed Petitioner's allegations of error and injustice on 12 July 2022 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, he exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board made the following findings:

a. On 29 July 2005, Petitioner was awarded a Bachelor of Science Degree from █

b. In August 2010, Petitioner participated in Cycle 087 NWAE and passed not advanced.

c. On 16 July 2014, Petitioner advanced to Navy Counselor First Class (NC1)/E-6.

d. In correspondence attached as enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action.

Subj: REVIEW OF NAVAL RECORD ICO [REDACTED]

In accordance with references (b), Petitioner met the criteria to receive four education points, however, the points were not accounted for at the time Petitioner participated in the August 2010 (Cycle 087) NWAE. Although the proper administrative requirements were not completed, the Board felt that under these circumstances, relief is warranted.

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner's Examination Profile Information and Exam Status sheet from the August 2010 (Cycle 087) NWAE is modified to read Education is "4" vice "0" and Final Multiple Score is "182.80" vice "178.80." Note: The Minimum Multiple Required was 178.90.

Petitioner advanced to AWF1/E-6 effective "16 May 2011" vice "16 July 2014" with a time in rate date of "1 January 2011" vice "1 July 2014."

Note: The change to the effective date of advancement to E-6 may also have affected Petitioner's E-7 advancement opportunity. If Petitioner was eligible for, but did not take the E-7 NWAE because the above change had not occurred, the following procedures will apply to remediate that missed opportunity. Petitioner should take the next available E-7 NWAE. Upon passing the examination, Petitioner should reapply to this Board for consideration of advancement to E-7 retroactive to the date, Petitioner would have been advanced on the "missed" examination cycle(s). Petitioner must submit a DD Form 149, with at least a copy of worksheet for the missed cycle(s), command endorsement/recommendation, and a copy of this letter. The Board will then determine whether the request will be approved.

Defense Finance and Accounting Service will complete an audit of Petitioner's records to determine retroactive pay and allowances entitlement.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
