1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to establish eligibility to transfer Post-9/11 GI Bill education benefits to eligible dependents.

2. The Board, consisting of [REDACTED] reviewed Petitioner's allegations of error and injustice on 24 August 2022 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, he exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board made the following findings:

a. The Post-9/11 Veterans Educational Assistance Act (Post-9/11 GI Bill, Public Law 110-252) was signed into law on 30 June 2008 and became effective on 1 August 2009. The bill provides financial support for education and housing for service members with at least 90 days of service on or after 11 September 2001. The act also includes provision for qualifying service members to transfer education benefits to their eligible dependents. General descriptions of the essential components of the law were widely available beginning in summer 2008 but specific implementing guidance was not published until summer 2009.

b. Petitioner's Pay Entry Base Date was 16 December 1993.

c. Petitioner reenlisted on 20 February 2010 for a term of 3 years and on 27 January 2013 for a term of 6 years.

d. Petitioner submitted Transfer of Education Benefits (TEB) application on 13 April 2016. The Service disapproved the application and directed Petitioner “to contact Service Representative to resolve status.”

e. On 14 November 2017, “Transfer of Post 911 G.I. Bill Benefits” NAVPERS 1070/613, Administrative Remarks was uploaded to Petitioner’s Electronic Service Record (ESR).

f. Petitioner transferred to the Voluntary Training Unit effective 1 January 2018.

g. Petitioner transferred to the Retired Reserve without pay effective 1 November 2018.

CONCLUSION

Upon review and consideration of all the evidence of record, the Board finds the existence of an injustice warranting the following corrective action. Petitioner met the basic eligibility criteria to transfer Post-9/11 GI Bill education benefits, however, he failed to complete the administrative requirements outlined in reference (c).¹ Although Petitioner did not complete the proper administrative requirements, the Board concluded that he completed over 4 years of Selected Reserve service after reenlisting on 27 January 2013, thereby meeting the spirit and intent of reference (b). Therefore, the Board felt under these circumstances, relief is warranted.

RECOMMENDATION

That Petitioner’s naval record be corrected, where appropriate, to show that:

Petitioner, in coordination with his command completed the required NAVPERS 1070/613, Administrative Remarks on 27 January 2013, and submitted to Commander, Navy Reserve Forces Command for inclusion in the Petitioner’s Official Military Personnel File.

Petitioner elected to transfer unused education benefits to [REDACTED] and [REDACTED] through the MilConnect TEB portal on 27 January 2013.

Commander, Navy Reserve Forces Command (N1) reviewed Petitioner’s TEB application and it was approved on 27 January 2013 with a 4-year service obligation.

A copy of this Report of Proceedings will be filed in Petitioner’s naval record.

¹ Reference (c), the option to transfer a Service member’s unused education benefits to an eligible dependent required a 4-year additional service obligation at the time of election. Additionally, the policy required enlisted Selected Reserve members to have a NAVPERS 1070/613, Administrative Remarks, prepared by their command in the Navy Standard Integrated Personnel System ESR, and have sufficient time on contract to meet the additional service requirement before completing/submitted electronic transfer election using the MilConnect TEB web application. Furthermore, the policy directed members to periodically check the status of their application; a denied TEB application required members to take corrective action and reapply with a new service obligation end date.
