

Oath of Office; you entered active duty on 23 September 2021 and issued payment for the FY21 Any Specialty AB on 15 October 2021. The Board concluded that although you met the requirements for the Critical Care Nurse AB, NRC was not required to offer you the incentive in accordance with the FY21 Navy Active Duty Nurse Corps Special Pays Guidance, thereby rendering you ineligible. In this connection, the Board substantially concurred with the comments contained in the advisory opinion.

You are entitled to have the Board reconsider its decision upon submission of new matters, which will require you to complete and submit a new DD Form 149. New matters are those not previously presented to or considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

11/15/2022
