Dear ██████████

This is in reference to your application for correction of your naval record pursuant to Section 1552 of Title 10, United States Code. After careful and conscientious consideration of relevant portions of your naval record and your application, the Board for Correction of Naval Records (Board) found the evidence submitted insufficient to establish the existence of probable material error or injustice. Consequently, your application has been denied.

A three-member panel of the Board, sitting in executive session, considered your application on 15 September 2022. The names and votes of the members of the panel will be furnished upon request. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, relevant portions of your naval record and applicable statutes, regulations, and policies. In addition, the Board considered the advisory opinion by Branch Head, Community Management Support Branch memorandum 1160 SerB328/090 of 20 August 2022 and your response to the opinion.

The Board determined that your personal appearance, with or without counsel, would not materially add to their understanding of the issues involved. Therefore, the Board determined that a personal appearance was not necessary and considered your case based on the evidence of record.

On 28 September 2015, you entered active duty. On 11 January 2019, you reenlisted for 3 years with an End of Active Obligated Service (EAOS) of 10 January 2022 and received a Zone "A" Selective Reenlistment Bonus (SRB).

On 6 April 2021, you were issued official change duty orders (BUPERS order: 0961) with required obligated service to December 2024, while stationed at ██████████ with an effective date of departure of November 2021. Your ultimate activity was ██████████ ██████████ for duty with an effective date of arrival of 15 December 2021.

On 29 July 2021, you signed a Command Career Request (NPPSC 1160/1) requesting a 6 year reenlistment with an effective date of 17 September 2021. The request was approved by cognizant authority on 3 August 2021.

On 9 August 2021, FY21 SRB Award Plan (N13SRB 005/FY21) was published and listed no zone "B" SRB for the EN Rate.
