1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to establish eligibility to transfer Post-9/11 GI Bill education benefits to eligible dependents.

2. The Board, consisting of [REDACTED] reviewed Petitioner's allegations of error and injustice on 24 August 2022 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, he exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board made the following findings:

a. The Post-9/11 Veterans Educational Assistance Act (Post-9/11 GI Bill, Public Law 110-252) was signed into law on 30 June 2008 and became effective on 1 August 2009. The bill provides financial support for education and housing for service members with at least 90 days of service on or after 11 September 2001. The act also includes provision for qualifying service members to transfer education benefits to their eligible dependents. General descriptions of the essential components of the law were widely available beginning in summer 2008 but specific implementing guidance was not published until summer 2009.

b. In accordance with reference (c), the option to transfer a Service member's unused education benefits to an eligible dependent required a 4-year additional service obligation at the

time of election. Additionally, all officers were required to have a NAVPERS 1070/613, Administrative Remarks, prepared by their command in the Navy Standard Integrated Personnel System Electronic Service Record (ESR), agreeing to serve the required additional years of service prior to initiating their electronic transfer election via the MilConnect Transfer of Education Benefits (TEB) portal. Furthermore, the policy directed members to periodically check the status of their application; a denied TEB application required members to take corrective action and reapply with a new service obligation end date.

c. Reference (d), updated the TEB process by establishing an online, self-service Statement of Understanding that replaced the NAVPERS 1070/613, Administrative Remarks effective 1 October 2018.

d. Petitioner's Active Duty Service Date is 17 June 1996.

e. Petitioner submitted TEB application on 16 August 2010. The Service rejected the application indicating, Petitioner "has not committed to the required additional service."

f. Petitioner's ESR reflects "Post 9-11 G.I. Bill" NAVPERS 1070/613, Administrative Remarks was entered on 28 November 2011.

g. Petitioner submitted second TEB application on 9 December 2020. The Service rejected the application indicating, Petitioner "has not committed to the required additional service."

h. Petitioner transferred to the Retired List effective 1 October 2021.

CONCLUSION

Upon review and consideration of all the evidence of record, the Board finds the existence of an injustice warranting the following corrective action. Petitioner met the basic eligibility criteria to transfer Post-9/11 GI Bill education benefits to his eligible dependents; however, he failed to complete the administrative requirements outlined in references (c) and (d). Although Petitioner did not complete the proper administrative requirements, the Board concluded that he completed over 11-years of active duty service after submitting his initial TEB application on 16 August 2010 thereby meeting the spirit and intent of reference (b). Therefore, the Board felt under these circumstances, relief is warranted.
