(2) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to establish eligibility to transfer Post-9/11 GI Bill education benefits to eligible dependents.

2. The Board, consisting of [REDACTED], [REDACTED], and [REDACTED] reviewed Petitioner's allegations of error and injustice on 31 August 2022 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, he exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board made the following findings:

a. The Post-9/11 Veterans Educational Assistance Act (Post-9/11 GI Bill, Public Law 110-252) was signed into law on 30 June 2008 and became effective on 1 August 2009. The bill provides financial support for education and housing for service members with at least 90 days of service on or after 11 September 2001. The act also includes provision for qualifying service members to transfer education benefits to their eligible dependents. General descriptions of the essential components of the law were widely available beginning in summer 2008 but specific implementing guidance was not published until summer 2009.

b. In accordance with reference (b), the option to transfer a Service member's unused education benefits to an eligible dependent required a 4-year additional service obligation at the

time of election for those eligible to retire on or after 1 August 2012. Additionally, the policy required enlisted Selected Reserve (SELRES) members to have a NAVPERS 1070/613, Administrative Remarks, prepared by their command in the Navy Standard Integrated Personnel System Electronic Service Record (ESR), have sufficient time on contract to meet the additional service requirement and complete/submit electronic transfer election via the MilConnect Transfer of Education Benefits (TEB) portal. Furthermore, the policy directed members to periodically check the status of their application; a denied TEB application required members to take corrective action and reapply with a new service obligation end date.

c. Reference (d), updated the TEB process by establishing an online, self-service Statement of Understanding that replaced the NAVPERS 1070/613, Administrative Remarks effective 1 October 2018.

d. Petitioner's Pay Entry Base Date was 25 March 2003.

e. Petitioner reenlisted on 16 February 2013 for a term of 6 years and on 4 November 2018 for a term of 5 years.

f. Petitioner submitted TEB application on 17 June 2019. The Service disapproved the application and directed Petitioner "to contact Service Representative to resolve status."

## CONCLUSION

Upon review and consideration of all the evidence of record, the Board finds the existence of an injustice warranting the following corrective action. Petitioner met the basic eligibility criteria to transfer Post-9/11 GI Bill education benefits, however, he failed to complete the administrative requirements outlined in reference (c). Although Petitioner did not complete the proper administrative requirements, the Board concluded that he completed over 9 years of SELRES service after reenlisting on 16 February 2013, thereby meeting the spirit and intent of reference (b). Therefore, the Board felt under these circumstances, relief is warranted.

## RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner, in coordination with his command completed the required NAVPERS 1070/613, Administrative Remarks on 16 February 2013, and submitted to Commander, Navy Personnel Command for inclusion in the Petitioner's Official Military Personnel File.

Petitioner elected to transfer unused education benefits to [REDACTED]/8-months and [REDACTED]/7-months through the MilConnect TEB portal on 16 February 2013.

Commander, Navy Reserve Forces Command (N1) reviewed Petitioner's TEB application and it was approved on 16 February 2013 with a 4-year service obligation.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.
