	e Board, having reviewed all the facts of record pertaining to Petitioner's allegations of nd injustice, finds as follows:
	Before applying to this Board, Petitioner exhausted all administrative remedies available existing law and regulations within the Department of the Navy.
b. (	On 18 June 2022, U-Haul issued Petitioner an Equipment Contract receipt for \$1,115.40.
	On 19 June 2022, Certified Automated Truck Scale receipt was issued at ross weight of 8,040 lbs.
	On 20 June 2022, Certified Automated Truck Scale receipt was issued at ross weight of 10,020 lbs.
while s	On 21 June 2022, Petitioner was issued official separation orders (BUPERS order: 1722) stationed in with an effective date of departure of August 2022. Petitioner's elected for travel was with an effective date of separation 14 August 2022.

- f. Petitioner was released from active duty and transferred to the Navy Reserve with an honorable character of service and was issued a DD Form 214 for the period of 15 August 2017 to 14 August 2022 upon completion of required active service.
- g. On 22 August 2022, NAVSUP Fleet Logistics Center Norfolk notified Petitioner that paragraph 051302 A of the Joint Travel Regulation states that transportation of household goods (HHG) at government expenses prior to the issuance of permanent change of station orders is not authorized. Exception is made when the order issuing authority (Navy Military Personnel Command) or member designated representative provides a written statement that orders are forthcoming and shipment may be prior to the official issuance of orders.

A review of the documentation supporting the claim shows that Petitioner initiated shipment of her HHG on 19 June 2022 prior to the 21 June 2022 issue date of her orders. Since shipment was made prior to the issuance of orders, this office has no legal basis to permit payment of Petitioner's claim.

## CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2) and reference (b), the Board finds the existence of an injustice warranting the following corrective action. The Board concluded that per reference (b), HHG allowances are based on when orders are effective and certain criteria must be met in order to execute HHG transportation before an order is issued. Petitioner was approaching the end of her required active service and had submitted her separation package; therefore, Petitioner had reason to believe that separation orders would be forthcoming.

## RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner's official separation orders (BUPERS order: 1722) were issued on "17 June 2022" vice "21 June 2022."

Note: Petitioner advised to resubmit her personally procured move claim, orders, receipts, and a copy of this Board of Correction of Naval Records' decision to the Household Good Audit Team (HHG-AT) for re-adjudication. The point of contact is the Director, HHG-AT (Code 302),

<sup>&</sup>lt;sup>1</sup> Reference (b), HHG allowances are based on the permanent change of station (PCS) order's effective date; although, the HHG may be transported as long as the HHG authority remains in effect. The weight allowance is based on the grade held on the effective date of the order authorizing the HHG transportation. HHG transportation before a PCS order is issued is authorized if the request for transportation is supported by all of the following: a. A statement from the authorizing/Order-Issuing Official (AO) or designated representative that the Service member was advised before such an order was issued that it would be issued. b. A written agreement, signed by the applicant, to pay any additional costs incurred for transportation to another point required because the new permanent duty station named in the order is different than that named in the AO's statement. c. A written agreement, signed by the applicant, to pay the entire transportation cost if a PCS order is not later issued to authorize the transportation.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

- 4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.
- 5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
