Subj: REVIEW OF NAVAL RECORD ICO [REDACTED]

Ref: (a) Title 10 U.S.C. § 1552
(b) The Joint Travel Regulation (JTR) 2022

Encl: (1) DD Form 149 w/attachments
(2) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to show Petitioner was reimbursed for her Personally Procured Move (PPM).

2. The Board, consisting of [REDACTED] reviewed Petitioner's allegations of error and injustice on 8 September 2022 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. On 29 April 2022, Certified Automated Truck Scale receipt was issued at [REDACTED] with gross weight of 16,620 lbs., and Certified Automated Truck Scale receipt was issued at [REDACTED] with gross weight of 20,660 lbs. On 30 April 2022, Two Men and a Truck issued Petitioner a receipt for \$5,537.12.

b. On 5 May 2022, Navy Lodge, [REDACTED] issued Petitioner a receipt for the period of 29 April 2022 to 5 May 2022. The daily rate was \$75.00 with a balance due of \$575.00.

c. On 10 June 2022, Petitioner was issued official Fleet Reserve orders (BUPERS order: 1612) while stationed in [REDACTED] with an effective date of departure of July 2022. Petitioner's place of home of election was deferred with an effective date of retirement 31 July 2022.

d. Petitioner transferred to the Fleet Reserve with a honorable character of service and was issued a DD Form 214 for the period of 11 July 2002 to 31 July 2022 upon having sufficient service for retirement.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (1) and reference (b),¹ the Board finds the existence of an injustice warranting the following corrective action. The Board concluded that per reference (b), household goods (HHG) allowances are based on when orders are effective and certain criteria must be met in order to execute HHG transportation before an order is issued. Petitioner was approaching her 20 years of active service and was making plans for transition; therefore, she had reason to believe that separation orders would be forthcoming.

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner's official Fleet Reserve orders (BUPERS order: 1612) were issued on "28 April 2022" vice "10 June 2022."

Note: Petitioner advised to resubmit his personally procured move claim, orders, receipts, and a copy of this Board of Correction of Naval Records' decision to the Household Good Audit Team (HHG-AT) for re-adjudication. The point of contact is the Director, HHG-AT (Code 302), NAVSUP Fleet Logistics [REDACTED]

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.

¹ Reference (b), HHG allowances are based on the permanent change of station (PCS) order's effective date; although, the HHG may be transported as long as the HHG authority remains in effect. The weight allowance is based on the grade held on the effective date of the order authorizing the HHG transportation. HHG transportation before a PCS order is issued is authorized if the request for transportation is supported by all of the following: a. A statement from the authorizing/Order-Issuing Official (AO) or designated representative that the Service member was advised before such an order was issued that it would be issued. b. A written agreement, signed by the applicant, to pay any additional costs incurred for transportation to another point required because the new permanent duty station named in the order is different than that named in the AO's statement. c. A written agreement, signed by the applicant, to pay the entire transportation cost if a PCS order is not later issued to authorize the transportation.
