From: Chairman, Board for Correction of Naval Records
To: Secretary of the Navy

Subj: REVIEW OF NAVAL RECORD ICO ██████████, USN, XXX-XX-██████████

Ref: (a) Title 10 U.S.C. § 1552
(b) MILPERSMAN 1306-106, 4 May 19

Encl: (1) DD Form 149 w/attachments
(2) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to show that 26 months of additional extension were cancelled.

2. The Board, consisting of ██████████, ██████████, and ██████████ reviewed Petitioner's allegations of error and injustice on 13 October 2022 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. On 4 November 2017 Petitioner reenlisted for 6 years with an EAOS of 3 November 2023 and SEAOS of 3 February 2027.

b. On 17 February 2021 Petitioner was issued official change duty orders (BUPERS order: 0481) with required obligated service to December 2024, while stationed in ██████████ with an effective date of departure of July 2021. Petitioner's intermediate (1) activity was ██████████, ██████████ for temporary duty under instruction with an effective date of arrival of 23 August 2021, and effective date of departure of 10 December 2021. Petitioner's ultimate activity was ██████████ for duty with an effective date of arrival of 11 December 2021, with a Projected Rotation Date (PRD) of December 2024.

c. On 11 July 2021 Petitioner transferred from ██████████, and arrived to ██████████ on 24 August 2021 for temporary duty.

d. On 3 September 2021 the Command Career Counselor ██████████ notified ██████████ that Petitioner's service obligation looks like three 13-month extensions. One each for effective dates 4/29/21, 5/7/21, and 5/29/21.

e. On 3 September 2021 the ██████████ notified Command Career Counselor (CCC), ██████████ that that's what he was afraid of. Petitioner's extension was processed during their transition from NSIPS Ashore to NSIPS Afloat. They had a lot of issues at first and he would

assume that the system processed Petitioner's extension three times and was not caught by them prior to Petitioner's transfer. He recommended that CCC see if their admin team can cancel 26 months of his extension. The fact that the system processed three extensions should be valid enough to get CCC's team on board.

f. On 18 November 2021 Petitioner transferred from [REDACTED], and arrived to [REDACTED] on 18 November 2021 for duty.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of reference (b),¹ the Board finds the existence of an injustice warranting the following corrective action. The Board concluded that Petitioner requested to execute an agreement to extend enlistment to incur sufficient obligation for BUPERS Order 0481. However, the system processed three extensions, giving Petitioner 26 extra months of extensions.

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

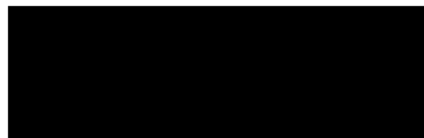

Petitioner executed a 13-month agreement to extend enlistment (NAVPERS 1070/621) operative on 4 November 2023. Note: This will establish a SEAOS of 3 December 2024. Furthermore, any other NAVPERS 1070/621 affected by the Board's recommendation be removed.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.

¹ Reference (b), retain-ability is the minimum amount of active OBLISERV a Service member must have upon arrival at a new duty station after a PCS transfer, both in CONUS and overseas. For Service members executing an LCM, additional retain-ability beyond the original tour completion date is not necessary. a. OBLISERV is required before reassignment to ensure Service members complete the prescribed tour. Waivers of OBLISERV requirements may be granted on a case basis by NAVPERSCOM, Enlisted Distribution Division (PERS-40). b. Service members must not be transferred from their present duty station without obtaining the required OBLISERV for the prescribed tour. c. The transferring command is required to obtain the applicable OBLISERV or report non-compliance via naval message 1306-106 CH-67, 4 May 2019 Page 6 of 8 to NAVPERSCOM (PERS-40) within 30 days of receipt of PCS orders. If PCS orders do not specify any required OBLISERV, the transferring command must contact NAVPERSCOM (PERS-40) for clarification and direction. OBLISERV will be acquired by reenlistment or extension of enlistment.
