Ref: (a) 10 U.S.C. 1552  
(b) 10 U.S.C. 654 (Repeal)  
(c) UNSECDEF Memo OF 20 Sep 11 (Correction of Military Record following Repeal of U.S.C. 654)

Encl: (1) DD Form 149  
(2) Naval record (excerpts)

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to change the character of service and separation code listed on his discharge documents in accordance with reference (b) and (c). Enclosure (2) applies.

2. The Board, consisting of [REDACTED], and [REDACTED], reviewed Petitioner's allegations of error and injustice on 30 September 2022 and, pursuant to its regulations, determined that the corrective action indicated below should be taken. Documentary material considered by the Board consisted of Petitioner's application together with all material submitted in support thereof, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies, to include the 25 July 2018 guidance from the Under Secretary of Defense for Personnel and Readiness regarding equity, injustice or clemency determinations (Wilkie Memo).

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Although enclosure (1) was not filed in a timely manner, it is in the interest of justice to review the application on its merits.

c. Petitioner enlisted in the Marine Corps and entered active duty on 9 September 2003. Petitioner received non-judicial punishment on 20 October 2006, for the commission of sodomy.

d. On 28 October 2006, Petitioner was notified of the initiation of administrative separation proceedings by reason of homosexual conduct. Petitioner waived his right to consult with counsel. Subsequently, Petitioner's commanding officer recommended his separation with a General (Under Honorable Conditions) (GEN) character of service by reason of homosexual conduct. On 28 November 2006, the separation authority approved and directed Petitioner's discharge. On 5 December 2006, Petitioner was discharged with a GEN character of service by reason of homosexual admission. He was issued a RE-4 reentry code and a SPD code of HRB1. Petitioner's final marks were 4.6 in proficiency, and 4.6 in conduct.

e. References (b) and (c) set forth the Department of the Navy's current policies, standards, and procedures for correction of military records following the "don't ask, don't tell" (DADT) repeal of 10 U.S.C. 654. It provides service Discharge Review Boards with the guidance to grant requests to change the characterization of service to "Honorable," narrative reason for discharge to "Secretarial Authority," SPD code to "JFF," and reentry code to "RE-1J," when the original discharge was based solely on DADT or a similar policy in place prior to enactment of it and there are no aggravating factors in the record, such as misconduct.

f. Petitioner contends his discharge was due DADT policy which was repealed. Petitioner contends he has been unable to certain military affiliated groups due to his current discharge characterization.

#### CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of references (b) and (c), the Board concludes that Petitioner's request warrants relief. In this regard, the Board noted Petitioner's overall record of military service and current Department of the Navy policy, as established in reference (b) and (c). While the Board noted the aggravating factor of misconduct in Petitioner's record, the Board determined Petitioner's NJP was directly related to his sexual orientation and he was discharged solely based on this fact. Further, the Board noted Petitioner had no other instances of misconduct in his record and had sufficient proficiency and conduct marks to qualify for an Honorable character of service. Based on these factors, the Board determined Petitioner should qualify for full relief under the aforementioned references.

In view of the above, the Board directs the following corrective action.

#### RECOMMENDATION:

That Petitioner be issued a new Certificate of Release or Discharge from Active Duty (DD Form 214) indicating a "Honorable" character of service, "Secretarial Authority" narrative reason for separation, "RE-1J" reenlistment code, "JFF" separation code, and "MARCORSEP 6214" separation authority.

Further, Petitioner be issued an Honorable discharge certificate.

That a copy of this report of proceedings be filed in Petitioner's naval record.
