Docket No. 7556-22
Ref: Signature date

From: Chairman, Board for Correction of Naval Records
To: Secretary of the Navy

Subj: REVIEW OF NAVAL RECORD OF FORMER MEMBER [REDACTED]
[REDACTED] [PRESENTLY [REDACTED], USN [REDACTED]]

Ref: (a) 10 U.S.C. §1552
(b) OSD/DOD Name Change Provisions/Guidance

Encl: (1) DD Form 149 with attachments
(2) Case Summary

1. Pursuant to the provisions of reference (a), Petitioner, a former enlisted member of the Navy, filed enclosure (1) with this Board requesting a change to her naval record, specifically, to correct the record to reflect a legal name change. Enclosures (1) and (2) apply.

2. The Board, consisting of [REDACTED], [REDACTED], and [REDACTED] reviewed Petitioner's allegations of error and injustice on 23 November 2022, and pursuant to its regulations, determined the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval records, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. Although enclosure (1) was not filed in a timely manner, it is in the interests of justice to waive the statute of limitations and review the application on its merits.

b. At the time of Petitioner's enlistment into the Naval Reserve, Petitioner's legal name was "[REDACTED]." On 3 August 1991 Petitioner was released from a period of active duty with an honorable characterization of service. In this regard, Petitioner was issued a Certificate of Release or Discharge from Active Duty (DD Form 214) based on the name used while serving in the United States Navy, specifically, "[REDACTED]." On 4 August 1992, Petitioner was discharged from the Naval Reserve with an honorable characterization of service. She was issued a NAVPERS 1070/613 based on the name "[REDACTED]."

c. After discharge from the Navy, Petitioner had her name legally changed from “[REDACTED]” to “[REDACTED]” to align with her gender identity.

CONCLUSION

Upon review and consideration of all the evidence of record, the Board concludes Petitioner’s request warrants favorable action.

The Board noted Petitioner has provided sufficient legal evidence, specifically, the Circuit Court of the State of [REDACTED] General Judgement of Change of Name and Order to Post of 19 September 2016 supporting her request. The Board found the legal actions taken by civilian authorities to change Petitioner’s name to align with her gender identity, along with the provisions/guidance of reference (b),¹ support a change to her naval record to reflect Petitioner’s legal name.²

RECOMMENDATION

In view of the above, the Board directs the following corrective action:

Petitioner be issued a new DD Form 214, which reflects the name “[REDACTED].”

Petitioner be issued a new NAVPERS 1070/613 which reflects the name “[REDACTED].”

Petitioner be issued a new honorable discharge certificate which reflects the name “[REDACTED].”

That no further changes be made to Petitioner’s naval record.

That a copy of this report of proceedings be filed in Petitioner’s naval record, along with the previously issued DD Form 214 and NAVPERS 1070/613 which reflects the name “[REDACTED]” and the updated DD Form 214 and NAVPERS 1070/613 which reflects the name “[REDACTED].”

¹ The Office of the Secretary of Defense and Department of Defense, former military personnel who have legally changed their name and sex, or are the subject of gender reassignment, may have their DD Form 214 changed to accurately reflect their present name and sex/gender. In this regard, the change may allow them to obtain various benefits, services, employment, etc., without being subject to otherwise invasive questions. However, the provisions/guidance only apply to the service-member’s DD Form 214, and as such, no further changes will be made to the record, including changing gender identifiers.

² The Board noted that normally a DD Form 215 would be issued to correct the record, however, the Board concluded a new and updated DD Form 214, and NAVPERS 1070/613 is warranted to eliminate the possibility of invasive questions. The Board further concluded that no other changes should be made to Petitioner’s record (including not making changes to gender identifiers), and that both the previously issued DD Form 214 and NAVPERS 1070/613, and the new DD Form 214 and NAVPERS 1070/613 should remain in the record for historical purposes.
