

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
701 S. COURTHOUSE ROAD, SUITE 1001
ARLINGTON, VA 22204-2490

██████████
Docket No. 8115-22
Ref: Signature Date

From: Chairman, Board for Correction of Naval Records
To: Secretary of the Navy

Subj: REVIEW OF NAVAL RECORD ICO ██████████

Ref: (a) Title 10 U.S.C. § 1552
(b) NAVADMIN 273/12, 8 Sep 12

Encl: (1) DD Form 149 w/attachments
(2) CMSB memo 1160 Ser B328/122, 2 Nov 22
(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to show Petitioner was eligible for and received a Selective Reenlistment Bonus (SRB) for the reenlistment dated 27 September 2012.

2. The Board, consisting of ██████████ reviewed Petitioner's allegations of error and injustice on 10 November 2022 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. On 4 February 2009 Petitioner entered active duty for 4 years with an End of Active Obligated Service (EAOS) of 3 February 2013, and on 27 September 2012 reenlisted for 6 years with an EAOS of 26 September 2018.

b. On 5 November 2012 Petitioner was issued official change duty orders (BUPERS order: 3102) while stationed in ██████████ with an effective date of departure of January 2013.

c. On 3 January 2013 Petitioner transferred from ██████████, and arrived to ██████████ on 8 May 2013 for duty.

d. On 4 February 2015, Petitioner entered zone "B."

e. On 4 November 2022, Petitioner reenlisted for 4 years with an EAOS of 3 November 2026.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2),¹ the Board finds the existence of an injustice warranting the following corrective action.

¹ Enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.

The Board concluded that Petitioner executed a 6-year reenlistment on 27 September 2012. Per reference (b),² Petitioner was eligible for a Zone "A" SRB, however, the command failed to submit the SRB precertification requirements to PERS-811 within the prescribed timeframe. If the Command Career Counselor had submitted Petitioner's SRB precertification request 35 to 120 days in advance of Petitioner's requested reenlistment date, the SRB would have been approved.

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner's Command submitted a waiver request for his SRB to PERS-811 via Officer Personnel Information System (OPINS) less than 35 days in advance of the requested reenlistment date of the Sailor and was approved by cognizant authority.

Note: This change will entitle the member to a zone "A" SRB with an award level of 1.0 (\$45,000 award ceiling) for the CTR rate. Remaining obligated service to 3 February 2013 will be deducted from SRB computation.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.

11/16/2022

² Reference (b), NAVADMIN announced revised SRB award levels for active component and reserve component full time support, and superseded NAVADMIN 143/12. Increased award levels were effective immediately and decreased levels were effective 30 days after the release of this NAVADMIN. All FY13 EAOS sailors (regardless of SRB tier) were encouraged to apply for SRB and reenlist on or before 30 September 2012. FY13 EAOS sailors electing to reenlist in FY12 were authorized to submit SRB requests without regard to the 35-day precertification requirement outlined in paragraph 8 below, but must be otherwise eligible for SRB IAW OPNAVINST 1160.8A and have a valid perform-to-serve quota prior to their selected reenlistment date. Commands were required to submit SRB reenlistment requests to PERS-811 via OPINS 35-120 days in advance of the sailor's requested reenlistment date. Requests submitted less than 35 days prior to the requested reenlistment date were rejected; however, commands may contact PERS-811 for waiver eligibility and procedures. Sailors must have had approved pre-certs before reenlisting. Furthermore, a zone "A" SRB with an award level of 1.0 (\$45,000 award ceiling) for the CTR rate was authorized.
