(2) Case summary

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that her characterization of service be upgraded and her narrative reason for separation, separation code, and reenlistment code all be change to eliminate any reference to her discharge for homosexuality.

2. The Board, consisting of [REDACTED], [REDACTED], and [REDACTED], reviewed Petitioner's allegations of error and injustice on 15 February 2023, and, pursuant to its regulations, determined the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of his naval service records, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Although enclosure (1) was not filed in a timely manner, it is in the interest of justice to review the application on its merits.

c. Petitioner enlisted in the U.S. Marine Corps and began a period of active duty on 28 September 1981. On 8 March 1984, an informal inquiry documents that Petitioner admitted she was in a relationship with another woman.

d. On 14 March 1984, the Petitioner was notified for separation for Homosexuality, elected her right to consult with counsel, and waived her right to an administrative board. The Commanding Officer (CO) made his recommendation to the Separation Authority (SA) that Petitioner be discharged with a General (Under Honorable Conditions). On 19 March 1984, the SA approved the recommendation and directed Petitioner be discharged.

e. Petitioner's DD Form 214, reveals she was separated from the Marine Corps, on 28 March 1984, with a General (Under Honorable Conditions) characterization of service, her narrative reason for separation is "Homosexual Admission," her separation code is "GRB1," and her reenlistment code is "RE-3C."

f. Reference (c) sets forth the Department of the Navy's current policies, standards, and procedures for correction of military records following the "don't ask, don't tell" (DADT) repeal of 10 U.S.C. 654. It provides service Discharge Review Boards with the guidance to grant requests to change the characterization of service to "Honorable," narrative reason for separation to "Secretarial Authority," SPD code to "JFF1," and reentry code to "RE-1J," when the original discharge was based solely on DADT or a similar policy in place prior to enactment of it and there are no aggravating factors in the record, such as misconduct.

CONCLUSION:

Upon review and consideration of all the evidence of record, the Board concludes Petitioner's request warrants relief. The Board reviewed the application under the guidance provided in references (b) through (d).

The Board noted Petitioner was discharged based solely on her sexual orientation and found no evidence of aggravating factors in her record. Therefore, the Board found that it was in the interests of justice to upgrade her characterization of service to Honorable and change her narrative reason for separation, separation code, separation authority, and reentry code consistent with the guidance provided in reference (c).

RECOMMENDATION:

In view of the above, the Board directs the following corrective action:

That Petitioner be issued a new DD Form 214 indicating that, on 28 March 1984, Petitioner's characterization of service was "Honorable", narrative reason for separation was "Secretarial Authority," the SPD code assigned was "JFF1," the reenlistment code was "RE-1J," and the separation authority was "MARCORSEPMAN Par 6214."

No further changes be made to Petitioner's record.
