e. On 1 June 2022, Petitioner was issued official modification to separation orders (BUPERS order: 1442) while stationed in [REDACTED] with an effective date of departure of August 2022. Petitioner's intermediate (1) activity was [REDACTED] for temporary duty pending separation with an effective date of arrival of 29 August 2022. Petitioner's place elected for travel was [REDACTED] with an effective date of 26 September 2022.

f. Petitioner was released from active duty and transferred to the Naval Reserve with an Honorable character of service and was issued a Certificate of Release or Discharge from Active Duty (DD Form 214) for the period of 27 September 2018 to 26 September 2022 upon completion of required active service.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of reference (b)¹ and enclosure (2), the Board finds the existence of an injustice warranting the following partial corrective action. The Board concluded that per reference (b) household goods (HHG) allowances are based on the when orders are effective and certain criteria must be met in order to execute HHG transportation before an order is issued. Petitioner was approaching the end of his required active service, therefore, Petitioner had reason to believe that separation orders would be forthcoming. The Board did not want to grant an exact dollar amount to be reimbursed, however, Petitioner will resubmit his HHG claim.

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner's official separation orders (BUPERS order: 1442) were issued on "21 May 2022" vice "24 May 2022".

¹ Reference (b), HHG allowances are based on the permanent change of station (PCS) order's effective date; although, the HHG may be transported as long as the HHG authority remains in effect. The weight allowance is based on the grade held on the effective date of the order authorizing the HHG transportation. HHG transportation before a PCS order is issued is authorized if the request for transportation is supported by all of the following: a. A statement from the authorizing/Order-Issuing Official (AO) or designated representative that the Service member was advised before such an order was issued that it would be issued. b. A written agreement, signed by the applicant, to pay any additional costs incurred for transportation to another point required because the new permanent duty station named in the order is different than that named in the AO's statement. c. A written agreement, signed by the applicant, to pay the entire transportation cost if a PCS order is not later issued to authorize the transportation.
