XXX-XX-[REDACTED]

Ref: (a) Title 10 U.S.C. § 1552
(b) The Joint Travel Regulation (JTR) 2022

Encl: (1) DD Form 149 w/attachments
(2) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to show Petitioner was reimbursed for his Personally Procured Move (PPM).

2. The Board, consisting of [REDACTED], [REDACTED], and [REDACTED] reviewed Petitioner's allegations of error and injustice on 17 November 2022 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In accordance with reference (b), household goods (HHG) allowances are based on the permanent change of station (PCS) order's effective date; although, the HHG may be transported as long as the HHG authority remains in effect. The weight allowance is based on the grade held on the effective date of the order authorizing the HHG transportation. HHG transportation before a PCS order is issued is authorized if the request for transportation is supported by all of the following: a. A statement from the authorizing/Order-Issuing Official (AO) or designated representative that the Service member was advised before such an order was issued that it would be issued. b. A written agreement, signed by the applicant, to pay any additional costs incurred for transportation to another point required because the new permanent duty station (PDS) named in the order is different than that named in the AO's statement. c. A written

agreement, signed by the applicant, to pay the entire transportation cost if a PCS order is not later issued to authorize the transportation.

c. Petitioner transferred to the Fleet Reserve with an Honorable character of service and was issued a Certificate of Release or Discharge from Active Duty (DD Form 214) for the period of 25 January 2001 to 31 July 2022 upon having sufficient service for retirement.

d. On 2 August 2022, Petitioner was issued official separation orders (BUPERS order: [REDACTED]) while stationed in [REDACTED] with an effective date of departure of July 2022. Petitioner's place elected for travel was [REDACTED] with an effective date of 31 July 2022.

e. On 17 October 2022, [REDACTED] notified Petitioner that Paragraph 051302 A of the Joint Travel Regulation states that transportation of HHGs at government expenses prior to the issuance of permanent change of station orders is not authorized. Exception is made when the order issuing authority (Navy Military Personnel Command) or member designated representative provides a written statement that orders are forthcoming and shipment may be prior to the official issuance of orders.

A review of the documentation supporting the claim shows that Petitioner initiated shipment of his HHGs on 21 July 2022 prior to the 2 August 2022 issue date of his orders. Since shipment was made prior to the issuance of orders, this office has no legal basis to permit payment of Petitioner's claim.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of reference (b) and enclosure (2), the Board finds the existence of an injustice warranting the following corrective action. The Board concluded per reference (b) HHG allowances are based on the when orders are effective and certain criteria must be met in order to execute HHG transportation before an order is issued. Petitioner was preparing for retirement; therefore, Petitioner had reason to believe that retirement orders would be forthcoming. Furthermore, Petitioner received his orders after he was transferred to the Fleet reserve.
