

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of reference (b)¹ and (c),² and enclosure (2), the Board finds the existence of an injustice warranting the following corrective action. The Board concluded that Petitioner clearly intended to sell 30 days of his accrued leave by electing to do so on his NPPSC 1160/1 on 5 April 2022, which was approved by his command on 4 May 2022. Due to oversight by Petitioner and his CCC, Petitioner's reenlistment contract listed 00.0 Lump Sum Leave (LSL) Sellback and Petitioner did not receive payment for the requested 30 days of leave.

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

The immediate reenlistment contract (NAVPERS 1070/601) executed on 3 June 2022 for a term of 4 years, listed LSL SELLBACK "30.0" vice "00.0".

Note: Defense Finance and Accounting Service (DFAS) will complete an audit of Petitioner's records to determine if Petitioner is due any back pay.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
