1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting correction to his name and social security number (SSN) on his DD Form 214. Enclosures (1) and (2) apply.

2. The Board, consisting of █, █, and █, reviewed Petitioner's allegations of error on 9 December 2022, and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of his naval service records, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Although enclosure (1) was not filed in a timely manner, it is in the interest of justice to review the application on its merits.

c. Petitioner enlisted in the Navy and began a period of active duty on 22 October 2002. He was discharged on 22 October 2003. During his period of service, Petitioner's legal name was █ with a SSN of XXX-XX-█

d. Petitioner previously requested a change to his record to reflect his legally changed name and SSN. This request was denied by this Board on 27 August 2021 based on a lack of evidence.

e. Petitioner requested reconsideration of the previous denial by providing court documentation of his name change, a social security card reflecting his new name and SSN, and a current driver's license for the Board to verify the change.

CONCLUSION:

Upon review and consideration of all the evidence of record, the Board determined that the Petitioner's record warrants relief. The Board noted Petitioner provided sufficient documentation in his current request to support the requested changes to his DD Form 214. After reviewing the evidence, the Board determined it was in the interests of justice to grant the request relief.

In view of the above, the Board directs the following corrective action.

RECOMMENDATION:

No other changes to his record are required.

That a copy of this Report of Proceedings be filed in Petitioner's naval record.
