Dear ██████████,

This is in reference to your application for correction of your naval record pursuant to Section 1552 of Title 10, United States Code. After careful and conscientious consideration of relevant portions of your naval record and your application, the Board for Correction of Naval Records (Board) found the evidence submitted insufficient to establish the existence of probable material error or injustice. Consequently, your application has been denied.

A three-member panel of the Board, sitting in executive session, considered your application on 14 February 2023. The names and votes of the members of the panel will be furnished upon request. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, relevant portions of your naval record and applicable statutes, regulations, and policies.

You requested to correct your rank to Petty Officer Second Class (PO2)/E-5 on your Armed Forces of the United States Report of Transfer or Discharge (DD Form 214). The Board, in its review of your entire record and application, carefully weighed all potentially mitigating factors to include your assertions. The Board concluded that your advancement to the rank of PO2/E-5 was in the Reserves and was effective on 23 May 1966, which was after your 4 April 1966 release from active duty. Therefore, correction to your active duty DD Form 214 is not warranted. Furthermore, the Board noted that a DD Form 214 is only issued for active duty service, thus your grade of E-4 reflects the proper grade at the time your DD Form 214 was issued. However, the Board indicated that the National Cemetery in ██████████ might accept your NAVPERS 601-14, Record of Discharge from the U.S. Naval Reserve that reflects your advancement to PO2/E-5 at the time of your honorable discharge. You may request a copy of this certificate from your official military personnel file by submitting your request online at <https://www.archives.gov/veterans/military-service-records>.

You are entitled to have the Board reconsider its decision upon submission of new matters, which will require you to complete and submit a new DD Form 149. New matters are those not previously presented to or considered by the Board. In this regard, it is important to keep in

mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

2/28/2023

Deputy Director
