1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to reflect net active service as 3 years, 10 months and 3 days on his Certificate of Discharge or Release from Active (DD Form 214) ending on 22 July 2005.

2. The Board, consisting of [REDACTED] and [REDACTED] reviewed Petitioner's allegations of error and injustice on 4 January 2023 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, he exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board made the following findings:

a. On 16 October 2000 Petitioner enlisted in the Naval Reserve and entered the Delayed Entry/Enlistment Program, and entered active duty on 20 September 2001.

b. On 22 July 2005 Petitioner was released from active duty and transferred to the Naval Reserve. Petitioner issued a DD Form 214 for active duty service period of 20 September 2001 through 22 July 2005 and net active duty service period of 3 years, 10 months, and 2 days.

## CONCLUSION

Upon review and consideration of all the evidence of record, the Board finds the existence of an injustice warranting the following corrective action. The Board concluded the inclusive date of
