## CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action. The Board concluded that on 3 August 2022, Petitioner signed a RELM Request (NAVMC 11537) via his command. Petitioner's request was approved by cognizant authority on 29 September 2022. Had Petitioner's command submitted the completed reenlistment request to HQMC immediately after the Battalion Commander endorsed the request,

vice 5 October 2022, the Early Reenlistment Kicker would have been awarded without complication.
