3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, he exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. Any change in SBP election subsequent to retirement will be done through an administrative correction of records as permitted by law.

Reference (c), stipulates "The date of the spouse's signature in Block 41c MUST NOT before the date of the member's signature in Block 39c, or on or after the date of retirement listed in Part 1 Section I, Block 4."

## CONCLUSION

Upon review and consideration of all the evidence of record, the Board finds the existence of an injustice warranting the following corrective action. Although Petitioner did not complete the proper administrative requirements, the Board felt that under these circumstances, relief is warranted.

Petitioner elected to decline participation in SBP with spouse concurrence prior to transferring to the Retired List effective 1 October 2022.

Note: Defense Finance and Accounting Services will complete an audit of Petitioner's pay records to determine the amount of premium refund.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.
