Subj: REVIEW OF NAVAL RECORD ICO [REDACTED] [REDACTED]
[REDACTED]

Ref: (a) Title 10 U.S.C. § 1552
(b) MARADMIN 716/18

Encl: (1) DD Form 149 w/attachments
(2) Advisory opinion by HQMC (MPO), 3 Apr 20
(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to establish entitlement to Continuation Pay (CP).

2. The Board, consisting of [REDACTED] reviewed Petitioner's allegations of error and injustice on 26 April 2023 and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, he exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board made the following findings:

a. Petitioner's Pay Entry Base Date is 26 November 2007.

b. Petitioner enrolled into the Blended Retirement System (BRS) on 26 February 2018.

c. Petitioner reenlisted on 12 January 2023 for a term of 4 years.

d. Petitioner signed NAVMC 11905, Active Duty BRS CP Statement of Understanding on 3 February 2023 and elected lump sum payment—last day eligible to elect CP on 25 November 2019.

e. In the advisory opinion, attached as enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request

has merit and warrants favorable action. Petitioner's case indicates the existence of an injustice in his record that warrants the requested relief because he did not receive the required notice of eligibility for CP prior to his 12-year anniversary date.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action. Petitioner enrolled in BRS in 2018, however, he failed to make the election for CP in accordance with reference (b) prior to passing the service deadline of 12 years. Petitioner may have been unaware of the deadline (i.e., 12 year anniversary date) to accept CP in order to receive payment of CP because of the programming error in the Marine Corps Total Force System. The Board found that had Petitioner received timely notification to elect CP, he would have followed proper procedures prior to going over 12 years of service.

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner, in coordination with his command completed the required Statement of Understanding prior to reaching 12 years of service and submitted it to Commandant of the Marine Corps (CMC) for inclusion in the Petitioner's Official Military Personnel File.

CMC validated Petitioner's CP eligibility and released CP authorization to Defense Finance and Accounting Service (DFAS). Note: DFAS will complete an audit of Petitioner's pay records to determine retroactive pay entitlement.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
