(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to show Petitioner's reenlistment contract of 14 December 2022 was designated as a Selective Training and Reenlistment (STAR) and he was advanced to E-5 upon reenlistment.

2. The Board, consisting of ██████████, ██████████, and ██████████ reviewed Petitioner's allegations of error and injustice on 18 May 2023 and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. On 18 February 2020, Petitioner entered active duty for 4 years with an End of Active Obligated Service (EAOS) of 17 February 2024 and Soft EAOS of 17 February 2026.

b. In April 2020, Petitioner was awarded Navy Enlisted Classification (NEC) of N91T.

c. On 16 January 2021, Petitioner was advanced to EMN3/E-4.

j. On 14 December 2022, Petitioner reenlisted for 6 years with an EAOS of 13 December 2028. Furthermore, Petitioner received a Zone A SRB.

k. In the advisory opinion, attached as enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action. The Board concluded that Petitioner was awarded NEC N14O in June 2022 which is listed on reference (c)¹ as being eligible for the STAR Program. The CCC failed to properly submit Petitioner's STAR request to BUPERS-328 for approval. If the request had been submitted properly, it would have been approved and Petitioner could have been advanced upon his reenlistment.

RECOMMENDATION
