1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to show Petitioner was reimbursed for her Personally Procured Move (PPM).

2. The Board, consisting of ██████████ reviewed Petitioner's allegations of error and injustice on 26 October 2023 and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of reference (b) and enclosure (2), the Board finds the existence of an injustice warranting the following corrective action. The Board concluded per reference (b) household goods allowances are based on the when orders are effective and certain criteria must be met in order to execute household goods transportation before an order is issued. Petitioner was preparing to retire, therefore he had reason to believe that official Fleet Reserve orders would be forthcoming. Furthermore, Petitioner is entitled to move to his HOS in conjunction with his official Fleet Reserve orders.

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner's official Fleet Reserve orders (BUPERS order: 2951) were issued on "13 February 2021" vice "22 October 2021."

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.
5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
