

**DEPARTMENT OF THE NAVY**  
BOARD FOR CORRECTION OF NAVAL RECORDS  
701 S. COURTHOUSE ROAD, SUITE 1001  
ARLINGTON, VA 22204-2490

[REDACTED]  
Docket No. 8702-23  
Ref: Signature Date

From: Chairman, Board for Correction of Naval Records  
To: Secretary of the Navy

Subj: REVIEW OF NAVAL RECORD ICO [REDACTED]

Ref: (a) Title 10 U.S.C. § 1552  
(b) OPNAVINST 1160.8B, 1 Apr 19

Encl: (1) DD Form 149 w/attachments  
(2) Advisory Opinion by [REDACTED] memo 1160 Ser B328/176, 20 Oct 23  
(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to show Petitioner's reenlistment on 14 September 2023 was cancelled and his Expiration of Active Obligated Service (EAOS) reverted back to 13 May 2026.

2. The Board, consisting of [REDACTED] reviewed Petitioner's allegations of error and injustice on 14 December 2023 and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. On 28 February 2018, Petitioner entered active duty for 4 years with an End of Active Obligated Service (EAOS) of 27 February 2022 and Soft EAOS (SEAOS) of 27 February 2024.

b. In accordance with reference (b), additional eligibility criteria will be published by NAVADMIN. If the current Selective Reenlistment Bonus (SRB) NAVADMIN publishes the use of zones, the guidance regarding zones in table 1-1 must be adhered. A member may receive only one SRB per zone during a career. When reenlisting for SRB, the reenlistment must take the member's new End of Active Obligated Service (EAOS) into the next SRB zone.

c. On 14 May 2020, Petitioner reenlisted for 6 years with an EAOS of 13 May 2026 and received a Zone A SRB.

d. On 3 August 2023, Petitioner signed a command career request (NPPSC 1160/1) requesting a 4-year reenlistment effective 14 September 2023 and receive SRB Zone B. Petitioner's request was approved on 17 August 2023 by cognizant authority.

- e. On 14 September 2023, Petitioner reenlisted for 4 years with an EAOS of 13 September 2027.
- f. On 28 February 2024, Petitioner will enter Zone B.

#### CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action. The Board concluded that on 3 August 2023, Petitioner requested a 4-year reenlistment effective 14 September 2023 with a SRB Zone B. Petitioner's SRB request was erroneously approved, and Petitioner reenlisted on 14 September 2023. Petitioner is not entitled for a Zone A SRB for the reenlistment because he previously received a Zone A SRB for a 6-year reenlistment on 14 May 2020. Furthermore, Petitioner will not be eligible for a Zone B SRB until he enters Zone B on 28 February 2024, therefore the Board agreed to cancel Petitioner's 14 September 2023 reenlistment to allow Petitioner the opportunity to reenlist after he crosses into Zone B and request a Zone B SRB, if available.

#### RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner's 4 year immediate reenlistment contract (NAVPERS 1070/601) executed on 14 September 2023 is null and void. Note: This will reestablish an EAOS/SEAOS of 13 May 2026.

A copy of this report of proceedings will be filed in Petitioner's naval record.

- 4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.
- 5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
