1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to cancel operative/non-operative extension and show Petitioner reenlisted on 25 June 2022 for 4 years and was eligible for and received a Selective Reenlistment Bonus (SRB), and was eligible to transfer his education benefits to his dependents.

2. The Board, consisting of ██████████, ██████████, and ██████████ reviewed Petitioner's allegations of error and injustice on 14 December 2023 and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following partial corrective action. The Board concluded that on 15 December 2021, Petitioner was issued BUPERS order: 3491 with required obligated service to October 2025. At that time, a Zone B SRB was authorized in accordance with reference (c), however Petitioner was still in Zone A. On 11 March 2022, NSIPS/ESR shows a 13-month agreement to extend enlistment to meet the OBLISERV. On 22 June 2022, Petitioner entered Zone B. The Board determined that Petitioner should have signed a NAVPERS 1070/613 vice extension of enlistment. On 28 June 2022, Petitioner would have been eligible to reenlist for 4 years and receive a Zone B SRB. Furthermore, Petitioner would have been eligible to transfer his education benefits to his dependents.

RECOMMENDATION

That Petitioner’s naval record be corrected, where appropriate, to show that:

Petitioner’s 13-month agreement to extend enlistment (NAVPERS 1070/621) operative on 15 September 2024 is null and void.

Petitioner executed an Administrative Remarks (NAVPERS 1070/613) on 11 March 2022 agreeing to extend enlistment for 13 months for OBLISERV to October 2025.

Petitioner was discharged 27 June 2022 and reenlisted on 28 June 2022 for a term of 4 years.
