From: Chairman, Board for Correction of Naval Records To: Secretary of the Navy

Subj: REVIEW OF NAVAL RECORD

- Ref: (a) Title 10 U.S.C. § 1552 (b) Title 38 U.S.C. Chp 33 (c) BUPERSNOTE 1780 (d) NAVADMIN 236/18
- Encl: (1) DD Form 149 w/attachments (2) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that her naval record be corrected to establish eligibility to transfer Post-9/11 GI Bill education benefits to eligible dependent children.

2. The Board, consisting of **Sector 2023** and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, she exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board made the following findings:

a. Petitioner's Active Duty Service Date is 23 June 2004.

b. Petitioner reenlisted for 3 years on 19 October 2007, for 3 years on 13 October 2010, for 5 years on 21 June 2013, and for 6 years on 13 October 2017.

c. On 23 April 2020, Petitioner submitted transfer of education benefits (TEB) application with 3 years, 5 months and 20 days remaining on contract. The Service rejected the application indicating Petitioner "had not committed to the required additional service time." Petitioner did not have sufficient obligated service to TEB and there is no record of her completing the required TEB statement of understanding.

d. On 19 November 2021, Petitioner signed NAVPERS 1070/622, Agreement to Remain on Active Duty to "Extend to incur sufficient service to execute BUPERS Order 2501 dated 21SEP07 in accordance with MILPERSMAN 1160-040."

and

e. On 21 June 2023, Petitioner completed the TEB statement of understanding and submitted another TEB application with 2 years, and 22 days remaining on contract. The Service rejected the application indicating Petitioner "had not committed to the required additional service time." Petitioner did not have sufficient obligated service to TEB.

## CONCLUSION

Upon review and consideration of all the evidence of record, the Board finds the existence of an injustice warranting the following corrective action. Petitioner met the basic eligibility criteria to transfer Post-9/11 GI Bill education benefits but failed to complete the administrative requirements outlined in references (c) and (d).<sup>1</sup> Although Petitioner did not complete the appropriate administrative requirements, the Board concluded that had she received adequate counseling, she would have been able to transfer unused education benefits to eligible dependents upon reenlisting on 21 June 2013 and again on 13 October 2017. Moreover, the Board determined Petitioner has completed more than 4 years of active duty service since the aforementioned reenlistments, thereby meeting the spirit and intent of reference (b). Therefore, the Board agreed that under these circumstances, relief is warranted.

## RECOMMENDATION

<sup>&</sup>lt;sup>1</sup> Reference (c), the option to transfer a Service member's unused education benefits to an eligible dependent required a 4-year additional service obligation at the time of election. Additionally, enlisted personnel were required to have sufficient time on contract to meet the additional service requirement prior to initiating their electronic transfer election. Reference (d), updated the TEB process by establishing an online, self-service statement of understanding that required completion by all Sailors prior to submitting a TEB application.
