- To: Secretary of the Navy
- Subj: REVIEW OF NAVAL RECORD XXX XX USMC
- Ref: (a) Title 10 U.S.C. § 1552 (b) MARADMIN 704/13 (c) MARADMIN 693/21
- Encl: (1) DD Form 149 w/attachments (2) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to establish eligibility to transfer Post-9/11 GI Bill education benefits to his eligible dependents effective 7 August 2018.

2. The Board, consisting of **Constant**, **Constant**, and **Constant** reviewed Petitioner's allegations of error and injustice on 28 February 2024 and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Subject's naval record, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, he exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board made the following findings:

a. On 14 June 2005, Petitioner entered active duty.

b. On 30 August 2009, Petitioner reenlisted for 4 years and 10 months, on 26 November 2014 for 4 years and 3 months and on 7 August 2018 for 4 years.

c. On 9 May 2019, Petitioner submitted initial transfer of education benefits (TEB) application with less than 4 years remaining on contract. The Service rejected the application on 12 July 2019 indicating, Petitioner "has not committed to the required additional service time."

d. On 18 June 2019, Petitioner extended reenlistment for 2 months.

e. On 11 January 2022, Petitioner reenlisted for 4 years.

f. On 25 November 2023, Petitioner extended reenlistment for 5 months to meet the time in service obligation for promotion to Master Sergeant/E-8.

g. On 25 January 2024, Petitioner submitted TEB application with less than 4 years remaining on contract. The Service rejected the application on 6 February 2024 indicating, Petitioner "needs to contact Service Representative to resolve status."

CONCLUSION

Upon review and consideration of all the evidence of record, the Board finds the existence of an injustice warranting the following partial corrective action. Petitioner met the basic eligibility criteria to transfer Post-9/11 GI Bill education benefits but failed to complete the administrative requirements outlined in references (b) and (c).¹ Although Petitioner did not complete the appropriate administrative requirements, the Board concluded that had he received adequate counseling, after his 2019 TEB rejection, he would have been able to reapply to TEB at the time of his 11 January 2022 reenlistment. Therefore, the Board determined that under this circumstance, partial relief is warranted.

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner elected to transfer unused education benefits to **11** January 2022.

Petitioner, in coordination with his command completed the required Statement of Understanding on 11 January 2022 and submitted it to Headquarters, U.S. Marine Corps (HQMC) for inclusion in the Petitioner's Official Military Personnel File.

HQMC reviewed Petitioner's TEB application, and it was approved on 11 January 2022 with a 4-year service obligation.

The part of Petitioner's request for corrective action that exceeds the foregoing is denied.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.

¹ References (b) and (c), the option to transfer a Service member's unused education benefits to an eligible dependent requires a 4-year additional service obligation at the time of election. Additionally, reference (b) specified that Enlisted Marines had 60 days from the date of TEB web application to incur the required obligated service or the TEB request will be rejected; reference (c) authorized 180 days. Furthermore, the policies direct Marines to periodically check the status of their application; a denied TEB application requires Marines to take corrective action and reapply with a new service obligation end date.
