1. This Air Staff advisory opinion is submitted in reference to subject application, dated 6 Jul 93.

2. Background:

a. The Do-It-Yourself (DITY) program for the shipment of personal property by members of the Armed Forces is authorized by Title 37, United States Code. This provision authorizes the payment of a monetary allowance to members of the Armed Forces as an incentive to move their personal property by privately owned or rental vehicles under programs established by the Secretaries concerned. Regulatory implementation of this program is found in the Joint Federal Travel Regulation (JFTR), Volume I, Chapter 5, Part D.

b. Paragraph U5320-E of the JFTR provides, in part, that a member will be paid an amount commensurate with 80 percent of what it would have cost the government to ship the property actually moved by the member, not to exceed his/her authorized weight allowance, provided the move is authorized in advance by the office designated for that purpose by the Service concerned.

c. Air Force Regulations, promulgated pursuant to the above authority, are contained in AFR 75-25, dated 23 Mar 90, Chapter 11, Subject: Do-It-Yourself (DITY) Program. AFR 177-102 also applies.

d. Our inquiry into [REDACTED] case revealed that she made a separation move on 30 June and 1 July 1992 in the local area of Carson, CA. She submits that she was counseled over the phone about the provisions of making a DITY move, but at no time was she asked to complete a DD Form 2278 prior to the move. [REDACTED] has followed all the provisions of a DITY move. Since there were extenuating circumstances in her move, we support her request to receive an incentive payment for the property moved.

3. If you agree with this staff advisory, [REDACTED] records should be corrected to reflect she received approval in advance to perform a DITY, DD Form 2278 (Application for Do-It-Yourself Move and Counseling Checklist) was completed, and proper counseling was conducted in accordance with the regulations concerned. Further, we recommend that [REDACTED] incentive be based on the transportation rates in effect in June/July 1992. The following is provided:

a. Rate: \$12.00 per hundred pounds(cwt) = \$7.00 + \$5.00 packing allowance.

b. Total net weight: 4,680 lbs. = 46.8 cwt

c. Computation: 46.8 cwt X \$12.00 X 80% = \$449.28

4. Our POC is [REDACTED], AF/LGTT, telephone [REDACTED].
