For more information, see the excerpt of the applicant's record at Exhibit B and the advisory at Exhibit C.

## **AIR FORCE EVALUATION**

NGB/SGXP, recommends granting the application. The applicant is requesting to receive IP and BCP for Title 10 missions to Afghanistan from 6 Jan 19 through 24 Feb 19 and to Guam from 1 Aug 19 through 30 Sep 19. In 2019, the applicant was unaware of the requirement to submit for IP/BCP prior to the start of the two missions because the ANG Medical Service (ANGMS) did not have a published plan in place. Since that time, the Air National Guard Medical Services (ANGMS) has worked to educate guardsmen on how and when to submit IP/BCP applications.

The complete advisory opinion is at Exhibit C.

## **APPLICANT'S REVIEW OF AIR FORCE EVALUATION**

The Board sent a copy of the advisory opinion to the applicant on 9 Jan 23 for comment (Exhibit D), but has received no response.

## **FINDINGS AND CONCLUSION**

1. The application was timely filed.
2. The applicant exhausted all available non-judicial relief before applying to the Board.
3. After reviewing all Exhibits, the Board concludes the applicant is the victim of an error or injustice. The Board concurs with the rationale and recommendation of NGB/SGXP and finds a preponderance of the evidence substantiates the applicant's contentions. Specifically, the applicant has provided Title 10 USC 12301 (d) active duty contingency orders, which is sufficient to justify granting the applicant's request to receive IP in the monthly amount of \$3,583.33 and BCP pay in the monthly amount of \$500.00. Therefore, the Board recommends correcting the applicant's records as indicated below.

## **RECOMMENDATION**

The pertinent military records of the Department of the Air Force relating to APPLICANT be corrected to show that he received Incentive Pay (IP) and Board Certification Pay (BCP) for the period of 6 January 2019 through 24 February 2019, and 1 August 2019 through 30 September 2019.
