APPLICABLE AUTHORITY/GUIDANCE

The Joint Travel Regulations (JTR), Appendix A, defines the HOR as the place recorded as the individual’s home when appointed, commissioned, enlisted, inducted, or ordered into a tour of active duty. The JTR further states that a member may only change the HOR if a break in service exceeds one full day. Additionally, in instances of a bona fide error where the place originally named at the time of current entry into the service was not in fact the actual home, the correction must be fully justified and the home, as corrected, must be the member’s actual home upon entering the service, and not a different place selected for the member’s convenience.

According to the DD Form 214 Personnel Services Delivery Guide, the HOR shown on the initial DD Form 4-1 is used as the HOR on the DD Form 214, *Certificate of Release or Discharge from Active Duty*.

FINDINGS AND CONCLUSION

- 1. The application was timely filed.
- 2. The applicant exhausted all available non-judicial relief before applying to the Board.
- 3. After reviewing all Exhibits, the Board concludes the applicant is not the victim of an error or injustice. The applicant’s HOR when she enlisted on 13 December 2016, is listed as [Wor...] and the applicant did not provide proof her HOR was recorded in error. In addition, the applicant did not have a break in service of more than one full day; therefore, a change to the applicant’s HOR is not authorized. Therefore, the Board recommends against correcting the applicant’s records.

RECOMMENDATION

The Board recommends informing the applicant the evidence did not demonstrate material error or injustice, and the Board will reconsider the application only upon receipt of relevant evidence not already presented.
