UNITED STATES AIR FORCE BOARD FOR CORRECTION OF MILITARY RECORDS

RECORD OF PROCEEDINGS

IN THE MATTER OF:

DOCKET NUMBER: BC-2023-03914

Work-Product

COUNSEL: NONE

HEARING REQUESTED: NO

APPLICANT'S REQUEST

1. His DD Form 214, *Certificate of Release or Discharge from Active Duty*, be corrected to reflect his removal from the Temporary Disability Retired List (TDRL) and placement on the Permanent Disability Retired List (PDRL).
2. His DD 214 corrected to reflect the award of the Inherent Resolve Campaign Medal (this was administratively corrected).

APPLICANT'S CONTENTIONS

He received confirmation he was removed from the TDRL and placed on the PDRL on 24 Jan 23 and would like his DD Form 214 corrected to reflect this along with the campaign medal he earned from his deployment to **Work...**

The applicant's complete submission is at Exhibit A.

STATEMENT OF FACTS

The applicant is a medically retired Air Force senior airman (E-4).

Dated 11 Jun 20, Special Order **Work-Product** indicates the applicant was placed on the TDRL in the grade of senior airman (E-4) with a compensable percentage for physical disability of 80 percent, effective 23 Aug 20.

On 22 Aug 20, DD Form 214 reflects the applicant was honorably discharged in the grade of senior airman (E-4) after serving 6 years, 1 month, and 15 days of active duty. He was discharged, with a narrative reason for separation of "Disability, Temporary Integrated Disability Evaluation System (IDES)." This DD Form 214 is the re-accomplished document which correctly reflects the award of the Inherent Resolve Campaign Medal.

Dated 24 Jan 23, Special Order **Work-Product** indicates the applicant was removed from the TDRL and retired with an 80 percent compensable percentage for physical disability, effective 13 Feb 23.

APPLICABLE AUTHORITY/GUIDANCE

Per Title 10, U.S.C., Section 1168, *Discharge or release from active duty: limitation*; DoDI 1336.01, *Certificate of Release or Discharge from Active Duty (DD Form 214/5 Series)*; AFI 36-3202, *Certificate of Release or Discharge from Active Duty (DD Form 214/5 Series)*; and the DD Form 214 Total Force Personnel Services Delivery (PSD) Guide, the DD Form 214 is prepared in accordance with the aforementioned publications and is used to record qualifying active-duty service.

AIR FORCE EVALUATION

AFPC/DP2SSR recommends denying the application finding no evidence of an error or injustice with the applicant's DD Form 214. Per AFI 36-3202 and the DD Form 214 PSD Guide, once an individual is removed from the TDRL and placed on the PDRL, a second DD Form 214 is not prepared. The applicant was provided documentation by the disability board in conjunction with the original DD Form 214 and he can provide that documentation along with his original DD Form 214 to respective agencies to inform them of his new status.

The complete advisory opinion is at Exhibit C.

APPLICANT'S REVIEW OF AIR FORCE EVALUATION

The Board sent a copy of the advisory opinion to the applicant on 25 Jun 24 for comment (Exhibit D), but has received no response.

FINDINGS AND CONCLUSION

1. The application was timely filed.
2. The applicant exhausted all available non-judicial relief before applying to the Board.
3. After reviewing all Exhibits, the Board concludes the applicant is not the victim of an error or injustice. The Board concurs with the rationale and recommendation of AFPC/DP2SSR and finds a preponderance of the evidence does not substantiate the applicant's contentions. Specifically, the Board finds no error with the applicant's current DD Form 214 as this document correctly annotates his status at the time of separation. The DD Form 214 is prepared and used to record qualifying active-duty service at the time of separation. A new DD Form 214 or correction is not authorized for members being removed from the TDRL as time spent on the TDRL does not count towards active-duty time served. His disability retirement order which removed him from the TDRL reflects his current status. Therefore, the Board recommends against correcting the applicant's records. As for the other request made by the applicant for the Inherent Resolve

Campaign Medal to be annotated on his DD Form 214, this was administratively corrected, and the corrected documents were sent to the applicant.

RECOMMENDATION

The Board recommends informing the applicant the evidence did not demonstrate material error or injustice, and the Board will reconsider the application only upon receipt of relevant evidence not already presented.
