UNITED STATES AIR FORCE BOARD FOR CORRECTION OF MILITARY RECORDS

RECORD OF PROCEEDINGS

IN THE MATTER OF:

DOCKET NUMBER: BC-2024-02342

Work-Product

COUNSEL: NONE

HEARING REQUESTED: NO

APPLICANT'S REQUEST

His narrative reason for separation and separation authority be amended based on the repeal of Title 10, United States Code, Section 654 (10 U.S.C. § 654).

APPLICANT'S CONTENTIONS

Being homosexual is no longer a reason for administrative separation, and the administration has called for the restoration of honor for members who have been discharged or prosecuted for being homosexual.

The applicant's complete submission is at Exhibit A.

STATEMENT OF FACTS

The applicant is an honorably discharged Air Force technical sergeant (E-6).

On 8 Oct 86, the applicant's commander recommended the applicant be discharged under the provisions of AFR 39-10, *Administrative Separation of Airmen*, paragraph 5-35. The specific reason for this action was the applicant admitted to being homosexual.

On 4 Nov 86, the Staff Judge Advocate found the discharge action legally sufficient.

On 6 Nov 86, the discharge authority directed the applicant be discharged with an honorable character of service.

On 21 Nov 86, the applicant received an honorable discharge with a separation code and corresponding narrative reason for separation of HRB, *Homosexuality – Acts*, and a reentry code of 2C, *Involuntarily separated with an honorable discharge; or entry level separation without characterization of service*. He was credited with 12 years, 2 months, and 22 days of total active service.

For more information, see the excerpt of the applicant's record at Exhibit B.

APPLICABLE AUTHORITY/GUIDANCE

On 20 Sep 11, with the repeal of the law commonly known as "Don't Ask, Don't Tell" (DADT), 10 U.S.C. § 654, the Department of Defense (DoD) issued supplemental policy guidance on correcting military records of former service members who had been discharged under that law or a precursor. The guidance applied to the following types of requests: changing the narrative reason

for a discharge; re-characterizing service as honorable; changing a reentry code to one allowing immediate eligibility to reenter service. The guidance directed that such requests should normally be granted when both of the following conditions are true: (1) the original discharge was based solely on DADT or a similar policy in place prior to enactment of DADT; and (2) there were no aggravating factors in the record, such as misconduct. For meritorious cases, the guidance further directed the use of "Secretarial Authority" as the new narrative reason for separation, with Separation Program Designator (SPD) code "JFF" and reentry code "1J." In addition, the guidance noted that while each request must be evaluated individually, an honorable or under honorable conditions (general) discharge should normally be considered to indicate the absence of aggravating factors. Finally, the issuance of a discharge under DADT or the taking of an action pursuant to DoD regulations related to a discharge under DADT should not by itself be considered to constitute an error or injustice that would invalidate an otherwise proper action taken pursuant to DADT and applicable DoD policy. Thus, remedies such as correcting a record to reflect continued service with no discharge, restoration to a previous grade or position, credit for time lost, or an increase from no separation pay to half or full separation pay or from half separation to full separation pay, would not normally be appropriate.

The complete DoD policy is at Exhibit C.

APPLICANT'S REVIEW OF AIR FORCE EVALUATION

The Board sent a copy of the DoD policy to the applicant on 6 Nov 24 for comment (Exhibit D) but has received no response.

FINDINGS AND CONCLUSION

1. The application was timely filed.
2. The applicant exhausted all available non-judicial relief before applying to the Board.
3. After reviewing all Exhibits, the Board concludes the applicant is the victim of an error or injustice in part. While the Board finds no error in the original discharge process, the Board recommends relief based on the repeal of 10 U.S.C. § 654. The absence of aggravating factors in the applicant's record meets the criteria of the DoD policy on records correction following the repeal of DADT. Accordingly, the Board recommends correcting the applicant's separation code, narrative reason for separation, and reentry code as indicated below.

However, the Board finds insufficient evidence to warrant changing or removing the separation authority. In this respect, AFR 39-10, *Administrative Separation of Airmen*, governs general administrative separation procedures of military personnel. The Board notes the DD Form 214 lists only the regulation and excludes the paragraph reference specific to the reason for discharge. As such, the Board finds the separation authority reflected on the applicant's DD Form 214 correct, and a change or removal would not be appropriate. Therefore, the Board recommends against correcting that portion of the applicant's request.

RECOMMENDATION

The pertinent military records of the Department of the Air Force relating to APPLICANT be corrected to show the DD Form 214, *Certificate of Release or Discharge from Active Duty*, issued on 21 Nov 86, be amended to reflect a Separation Code of JFF, a Narrative Reason for Separation of Secretarial Authority, and a Reentry Code of 1J.

However, regarding the remainder of the applicant’s request, the Board recommends informing the applicant the evidence did not demonstrate material error or injustice, and the application will only be reconsidered upon receipt of relevant evidence not already considered by the Board.

CERTIFICATION

The following quorum of the Board, as defined in Department of the Air Force Instruction (DAFI) 36-2603, *Air Force Board for Correction of Military Records (AFBCMR)*, paragraph 2.1, considered Docket Number BC-2024-02342 in Executive Session on 24 Apr 25:
