## UNITED STATES AIR FORCE BOARD FOR CORRECTION OF MILITARY RECORDS

### RECORD OF PROCEEDINGS

IN THE MATTER OF:

Work-Product

DOCKET NUMBER: BC-2024-02580

COUNSEL: NONE

HEARING REQUESTED: NO

### APPLICANT'S REQUEST

She be eligible to receive her Continuation Pay (CP) under the Blended Retirement System (BRS).

### APPLICANT'S CONTENTIONS

She was eligible for BRS-CP and her commander had seven days to approve her application and 30 days from approval to apply for retainability, but her application was erroneously denied.

In support of her appeal, the applicant provides e-mail traffic that indicates she submitted her application for BRS-CP prior to her 12-year anniversary date; however, due to a system malfunction and an administrative error, the applicant's commander was unable to approve the request prior to the due date.

The applicant's complete submission is at Exhibit A.

### STATEMENT OF FACTS

The applicant is a Regular Air Force technical sergeant (E-6).

The Military Personnel Data System (MilPDS) shows the applicant's actual "Pay Date" (also referred to as the Pay Entry Base Date [PEBD]) is 19 Jun 12. Since she had less than 12 years of service as of 31 Dec 17, she was eligible to opt-in to the BRS and did so on 24 Dec 19. Furthermore, under the BRS, the applicant was eligible for CP, provided her election was made prior to the 12th anniversary of her pay date (19 Jun 24) and she obtained 48 months of retainability from the effective date.

For more information, see the excerpt of the applicant's record at Exhibit B and the advisory at Exhibit C.

### APPLICABLE AUTHORITY/GUIDANCE

**General Blended Retirement System Guidance:** Sections 631 through 635 of Public Law 114-92, the National Defense Authorization Act for Fiscal Year 2016, amended in Public Law 114-80, National Defense Authorization Act for Fiscal Year 2017.

On 27 January 2017, the Deputy Secretary of Defense implemented guidance for the newly created retirement system for the Uniformed Services, which was enacted in the 2016 National Defense Authorization Act for Fiscal Year 2016. This system, called the Blended Retirement System combines the traditional legacy retirement pension, also known as a defined benefit, with a defined

contribution benefit into a Thrift Savings Plan. The Blended Retirement System went into effect on 1 January 2018.

Active Component Service members with fewer than 12 years of service as of 31 December 2017, calculated from their Pay Entry Base Date [PEBD] (for the Air Force it is referred to as the “Pay Date”), and members of the National Guard or Reserve who have accrued fewer than 4,320 points as of 31 December 2017, are also grandfathered under the current retirement system but may choose to opt-in to the Blended Retirement System.

**Guidance on Continuation Pay:** In accordance with AFI 36-3012, *Military Entitlements*, Chapter 4, Continuation Pay and Personnel Services Delivery (PSD) Guide, Blended Retirement System (BRS) Continuation (CP) Execution, Organization, and Responsibilities:

Members of the Uniformed Services who are covered by the Blended Retirement System are eligible to receive a one-time, mid-career bonus payment in exchange for an agreement to perform additional obligated service. The amount is determined by applying a multiplier to the member’s monthly base pay. For RegAF Airmen, the multiplier is 2.5 and for ANG or AFR Airmen, the multiplier is 0.5.

Service members eligible to receive continuation pay must have completed not less than 8 and not more than 12 years of service, as computed from the members PEBD (otherwise referred to in the Air Force as the “Pay Date”). In addition, the member must complete the Statement of Understanding and Election (SOU), obtain their commander’s approval for Continuation Pay, and commit to a four-year military service obligation. The election for Continuation Pay must be made prior to the member’s 12th year of service based on pay date but no earlier than 90 days in advance.

According to a myPers article, *Blended Retirement System Continuation Pay*, updated on 12 March 2021, “Airmen will be notified of their potential eligibility for BRS CP and receive a BRS CP Election SOU via myPers messaging starting approximately 90 days prior to the potential BRS CP effective date.” In addition, the Continuation Pay fact sheet pulled from myPers states notification for Continuation Pay will start 60 days before a member’s 12th year of service.

## AIR FORCE EVALUATION

AFPC/DPMSSM (Special Pays), recommends granting the application. Based on the documentation provided by the applicant and analysis of the facts, there is evidence of an error or injustice. The applicant’s 12-year “Pay Date” anniversary was on 19 Jun 24. On 8 Mar 24, she was initially notified of her eligibility for BRS CP via myFSS case **Work-Product**. On 31 Jul 24, the case was closed, and the applicant was informed she was no longer eligible as the anniversary of her 12-year pay date had passed. However, the applicant did sign her SOU on her 12-year pay date anniversary, but due to a system issue, the applicant’s commander did not receive the SOU. Therefore, DPMSSM finds that the administrative or system error kept the applicant from requesting BRS-CP.

The complete advisory opinion is at Exhibit C.

## APPLICANT’S REVIEW OF AIR FORCE EVALUATION

The Board sent a copy of the advisory opinion to the applicant on 26 Aug 24 for comment (Exhibit D), but has received no response.

## FINDINGS AND CONCLUSION

1. The application was timely filed.
2. The applicant exhausted all available non-judicial relief before applying to the Board.
3. After reviewing all Exhibits, the Board concludes the applicant is the victim of an error or injustice. The Board concurs with the rationale and recommendation of AFPC/DPMSSM and finds a preponderance of the evidence substantiates the applicant's contentions. The Board notes, that the applicant signed her SOU on or before her 12-year pay date, but due to a system error her commander was unable to approve the application. As such, the Board views this as a procedural oversight and not as evidence of the applicant's intent to refuse CP in exchange for a four-year military service obligation. Therefore, the Board recommends correcting the applicant's records as indicated below.

## RECOMMENDATION

The pertinent military records of the Department of the Air Force relating to APPLICANT be corrected to show on 19 June 2024, the applicant submitted a timely and effective Continuation Pay Statement of Understanding and Election to accept Continuation Pay in accordance with Public Law 114-80; his election for Continuation Pay was accepted; and the applicant received a 48 month active duty service commitment in exchange for the approved Continuation Pay election.
