APPLICABLE AUTHORITY/GUIDANCE

Air Force policy does not authorize the correction of records of former airmen to show name changes occurring after discharge (AFI 36-2608, *Military Personnel Records System*, Table A7.3 [Name Changes]). In particular, if the name appearing on the DD Form 214 was correct at the time it was created, the AFI would not allow a correction, even to reflect a subsequent, legal name change. The past practice of the Board has been to follow the AFI in all cases except those where the applicant seeks to revert to either a maiden name or the name under which he or she entered service, or the Board finds a particular injustice that warrants an exception to policy, such as noted below in the SAF/MR memorandum.

SAF/MR memorandum, *Guidance to the Air Force Board for Correction of Military Records*, dated 9 Mar 15, states that while the Board generally has the authority to correct an applicant's records to reflect a legal change to the applicant's name, it should exercise discretion in doing so. The DD Form 214 is primarily created for the benefit of the veteran to establish entitlements to various government programs, or in seeking employment with organizations that grant veteran's preferences. A DD Form 214 may constitute an injustice when the veteran asserts that presenting

a DD Form 214 that lists the old name effectively requires a needlessly intrusive explanation of personal history.

A complete copy of the SAF/MR memorandum is at Exhibit C.

APPLICANT'S REVIEW OF APPLICABLE AUTHORITY/GUIDANCE

The Board sent a copy of the SAF/MR memorandum to the applicant on 16 Jan 25 for comment (Exhibit D) but has received no response.

FINDINGS AND CONCLUSION

1. The application was not timely filed. The Board notes the applicant did not file the application within three years of discovering the alleged error or injustice, as required by Section 1552 of Title 10, United, United States Code, and Department of the Air Force Instruction (DAFI) 36-2603, *Air Force Board for Correction of Military Records* (AFBCMR).

2. The applicant exhausted all available non-judicial relief before applying to the Board.

3. After thoroughly reviewing all Exhibits, the Board concludes that the applicant is not the victim of an error or injustice. The Board finds the applicant has not established that presenting their DD Form 214 with the previous legal name effectively requires a needlessly intrusive explanation of personal history. Therefore, the Board recommends against correcting the applicant's records.

RECOMMENDATION

The Board recommends informing the applicant the evidence did not demonstrate material error or injustice, and the Board will reconsider the application only upon receipt of relevant evidence not already presented.
