

**UNITED STATES AIR FORCE  
BOARD FOR CORRECTION OF MILITARY RECORDS**

**RECORD OF PROCEEDINGS**

**IN THE MATTER OF:**

**DOCKET NUMBER:** BC-2024-04277

Work-Product

**COUNSEL:** NONE

**HEARING REQUESTED:** NO

**APPLICANT’S REQUEST**

His 13-month extension he executed on 30 July 2024 to obtain assignment retainability be cancelled and replaced with a reenlistment and entitlement to a zone C multiple 1.0 Selective Retention Bonus (SRB) for the 3P051B career field.

**APPLICANT’S CONTENTIONS**

He was unaware of the option to reenlist or reenlist for a Zone C SRB. He would have never extended and taken the reenlistment route if this was explained to him. His extension request was processed in July 2024, and he states he was entitled to the SRB bonus Zone C. He states he was instructed to extend his contract. He would like to rectify this mistake. He would never have signed an extension with the knowledge that he would have received a bonus.

The applicant’s complete submission is at Exhibit A.

**STATEMENT OF FACTS**

The applicant is a currently serving Air Force staff sergeant (E-5).

On 15 July 2014, as annotated on DD Form 4/1, *Enlistment/Reenlistment Document, Armed Forces of the United States*, the applicant enlisted in the Air Force for a period of six years.

On 14 June 2018, AF Form 1411, *Extension of Enlistment in the Air Force*, reflects the applicant requested his current enlistment entered on 15 July 2014 for a period of six years be extended for a period of 18 months for the purpose of Assignment. His date of separation (DOS) of 14 July 2020 was extended to 14 January 2022.

On 30 July 2024, AF Form 1411, *Extension of Enlistment in the Air Force*, reflects the applicant requested his current enlistment entered on 27 January 2021 for a period of 5 years and 11 months be extended for a period of 13 months for the purpose of Assignment. His date of separation (DOS) of 26 December 2026 was extended to 26 January 2028.

For more information, see the excerpt of the applicant’s record at Exhibit B and the advisory at Exhibit C.

**AIR FORCE EVALUATION**

AFPC/DP2SSM recommends denying the application. The applicant extended his 26 December 2026 date of separation for 13 months on 30 July 2024 to obtain retainability for an assignment. The applicant states he was unaware of his option to reenlist. However, his AF Form 1411, *Extension of Enlistment in the Air Force*, Section IV, has the counseling statement marked that read, "I know that I can reenlist rather than extend, but I have elected to execute this extension instead of reenlisting (reenlistment eligible Airmen only)." A reenlistment would have been for four or five years (his choice) and 28 months with entitlement to zone C multiple 1.0 SRB for the four or five years he chose; obligated service is the time he left to serve from his last reenlistment.

The applicant provided no evidence of miscounseling and signed his AF Form 1411 which stated he knew he could reenlist but elected to extend instead.

The complete advisory opinion is at Exhibit C.

**APPLICANT’S REVIEW OF AIR FORCE EVALUATION**

The Board sent a copy of the advisory opinion to the applicant on 10 April 2025 for comment (Exhibit D), but has received no response.

**FINDINGS AND CONCLUSION**

1. The application was timely filed.
2. The applicant exhausted all available non-judicial relief before applying to the Board.
3. After reviewing all Exhibits, the Board concludes the applicant is not the victim of an error or injustice. The Board concurs with the rationale and recommendation of AFPC/DP2SSM and finds a preponderance of the evidence does not substantiate the applicant’s contentions. The Board notes the applicant did not provide any evidence nor was there any evidence in his record that shows he was miscounseled when he signed the AF Form 1411t. Thus, he elected to extended his current enlistment and signed his AF Form 1411 which stated he knew he could reenlist but elected to extend instead. Therefore, the Board recommends against correcting the applicant’s records.

**RECOMMENDATION**

The Board recommends informing the applicant the evidence did not demonstrate material error or injustice, and the Board will reconsider the application only upon receipt of relevant evidence not already presented.

**CERTIFICATION**

The following quorum of the Board, as defined in Department of the Air Force Instruction (DAFI) 36-2603, *Air Force Board for Correction of Military Records (AFBCMR)*, paragraph 2.1, considered Docket Number BC-2024-04277 in Executive Session on 15 August 2025:
