

## AIR FORCE DISCHARGE REVIEW BOARD DECISIONAL DOCUMENT

**SUMMARY:**

The applicant was discharged on 24 February 2010 in accordance with Air Force Instruction 36-3208, *Administrative Separation of Airman* with a “General” after “Misconduct (Minor Infractions).” The applicant appealed for an upgrade of his discharge characterization, a change to the discharge narrative reason, and a change to the reenlistment eligibility (RE) code.

The applicant was not represented by counsel.

The applicant requested the board be completed based on a records only review. The Board was conducted on 04 May 2023.

The attached examiner’s brief (provided to applicant only), extracted from available service records, contains pertinent data regarding the circumstances and character of the applicant’s military service.

**DISCUSSION:** The Air Force Discharge Review Board (AFDRB), under its responsibility to examine the propriety and equity of an applicant’s discharge, is authorized to change the characterization of service and the narrative reason for discharge if such changes are warranted. If applicable, the board can also change the applicant’s reenlistment eligibility code. In reviewing discharges, the board presumes regularity in the conduct of governmental affairs unless there is substantial credible evidence to rebut the presumption, to include evidence submitted by the applicant. The Board completed a thorough review of the circumstances that led to the discharge and the discharge process to determine if the discharge met the pertinent standards of equity and propriety.

The documentary evidence the Board considered as part of the review included: the DD form 293, *Application for the Review of Discharge from the Armed Forces of the United States*; The applicant’s personnel file from the *Automated Records Management System (ARMS)*; the DRB Brief; and additional documents provided by the applicant.

The applicant requested an upgraded discharge to join the California National Guard. He stated since his separation he has had no run-ins with the law and no alcohol related incidents. He stated he wanted to continue to serve his country.

The board determined the applicant’s discharge was equitable and proper. Based on the evidence the applicant provided, the board decided to change the applicant’s RE code to allow him the opportunity to through the process to join the California National Guard.

**FINDING:** The DRB voted unanimously to *deny* the applicant’s request to upgrade his discharge characterization to “Honorable,” to change the discharge narrative reason to “Secretarial Authority.”

The DRB voted unanimously to *approve* the applicant’s request to change the reenlistment eligibility code to “3K.”

Should the applicant wish to appeal this decision, the applicant must request a personal appearance before this Board before applying for relief to the Air Force Board for Correction of Military Records (AFBCMR). In accordance with DAFI 36-2603, Air Force Board for Correction of Military Records, all applicants before the AFBCMR must first exhaust available administrative avenues of relief before applying to the AFBCMR, otherwise their AFBCMR case will be administratively closed until such time that the applicant avails

themselves of the available avenue of relief. Therefore, should the applicant wish to appeal this decision, they must first exercise their right to make a personal appearance before the AFDRB.

**CONCLUSION:** After a thorough review of the available evidence, to include the Applicant's issues, summary of service, service/medical record entries, and discharge process, the Board found the discharge was proper and equitable. Therefore, the awarded characterization of service shall remain "General," the narrative reason for separation shall remain "Misconduct (Minor Infractions)," and the reentry code shall change to "3K." The AFDRB results were approved by the board president on 8 May 2023. If desired, the applicant can request a list of the board members and their votes by writing to:
