

## AIR FORCE DISCHARGE REVIEW BOARD DECISIONAL DOCUMENT

**SUMMARY:**

The applicant was discharged on 24 July 2015 in accordance with Air Force Instruction 36-3208, *Administrative Separation of Airman*, with a General Discharge for Misconduct (Drug Abuse). The applicant appealed for an upgrade of his discharge characterization.

The applicant was not represented by counsel.

The applicant requested the board be completed based on a records only review. The Board was conducted on 27 July 2023.

The attached examiner's brief (provided to applicant only), extracted from available service records, contains pertinent data regarding the circumstances and character of the applicant's military service.

**DISCUSSION:** The Discharge Review Board (DRB), under its responsibility to examine the propriety and equity of an applicant's discharge, is authorized to change the characterization of service and the narrative reason for discharge if such changes are warranted. If applicable, the board can also change the applicant's reenlistment eligibility code. In reviewing discharges, the board presumes regularity in the conduct of governmental affairs unless there is substantial credible evidence to rebut the presumption, to include evidence submitted by the applicant. The Board completed a thorough review of the circumstances that led to the discharge and the discharge process to determine if the discharge met the pertinent standards of equity and propriety.

The applicant's record of service included an Article 15 and a Letter of Counseling. His misconduct included: improperly disposed of aircraft parts by taking them home; on divers occasions between on or about 1 January 2015 and on or about 7 May 2015, wrongfully used marijuana; Failed to turn in complete CDC volumes twice.

The documentary evidence the Board considered as part of the review includes, but is not limited to the DD Form 293, *Application for the Review of Discharge from the Armed Forces of the United States*, and any additional documentation submitted by applicant and/or counsel; the applicant's personnel file from the Automated Records Management System (ARMS); and the DRB Brief detailing the applicant's service information and a summary of the case.

The applicant admitted to his mistakes and agreed that disciplinary actions were required. He explained that he has since learned from his mistakes and has been developing better coping mechanisms. The applicant asked that the Board look past his mistakes and understand that he has changed.

The DRB reviewed the applicant's entire service record and found no evidence of impropriety or inequity to warrant an upgrade of the discharge. Despite being aware of the Air Force policy of zero tolerance for illegal drug use, the applicant chose to use. This repeated and willful misconduct outweighed the positive aspects of his military service. The Board was pleased to see the applicant has been successful since leaving the Air Force. However, this is not a matter of inequity or impropriety which would warrant an upgrade.

**FINDING:** The DRB voted unanimously to *deny* the applicant's request to upgrade his discharge characterization, to change the discharge narrative reason, and to change the reenlistment eligibility code.

Should the applicant wish to appeal this decision, the applicant must request a personal appearance before this Board before applying for relief to the Air Force Board for Correction of Military Records (AFBCMR). In accordance with DAFI 36-2603, *Air Force Board for Correction of Military Records*, all applicants before the AFBCMR must first exhaust available administrative avenues of relief before applying to the AFBCMR, otherwise their AFBCMR case will be administratively closed until such time that the applicant avails themselves of the available avenue of relief. Therefore, should the applicant wish to appeal this decision, they must first exercise their right to make a personal appearance before the AFDRB.

**CONCLUSION:** After a thorough review of the available evidence, to include the Applicant's issues, summary of service, service/medical record entries, and discharge process, the Board found the discharge was proper and equitable. Therefore, the awarded characterization of service shall remain "General," the narrative reason for separation shall remain "Misconduct (Drug Abuse)," and the reentry code shall remain "2B." The Air Force DRB (AFDRB) results were approved by the board president on 28 July 2023. If desired, the applicant can request a list of the board members and their votes by writing to:
