

AIR FORCE DISCHARGE REVIEW BOARD DECISIONAL DOCUMENT

SUMMARY:

The applicant was discharged on 16 October 2014 in accordance with Air Force Instruction 36-3208, *Administrative Separation of Airmen*, with an Honorable Discharge for Erroneous Entry. The applicant appealed for an upgrade of his discharge narrative reason and a change to the reentry code.

The applicant was not represented by counsel.

The applicant requested the board be completed based on a records only review. The Board was conducted on 26 September 2023.

The attached examiner's brief (provided to applicant only), extracted from available service records, contains pertinent data regarding the circumstances and character of the applicant's military service.

DISCUSSION: The Discharge Review Board (DRB), under its responsibility to examine the propriety and equity of an applicant's discharge, is authorized to change the characterization of service and the narrative reason for discharge if such changes are warranted. If applicable, the board can also change the applicant's reentry code. In reviewing discharges, the board presumes regularity in the conduct of governmental affairs unless there is substantial credible evidence to rebut the presumption, to include evidence submitted by the applicant. The Board completed a thorough review of the circumstances that led to the discharge and the discharge process to determine if the discharge met the pertinent standards of equity and propriety.

The documentary evidence the Board considered as part of the review includes, but is not limited to the DD Form 293, *Application for the Review of Discharge from the Armed Forces of the United States*, and any additional documentation submitted by applicant and/or counsel; the applicant's personnel file from the Automated Records Management System (ARMS); and the DRB Brief detailing the applicant's service information and a summary of the case.

The applicant requested an upgrade to the reentry code and narrative reason so that he may enlist. He indicated that he was separated due to a pre-existing medical condition, however, indicated that the medical documents taken during his time served show no record of this condition.

After a thorough review of records and input from the Board's medical advisor, the DRB determined that the applicant's bar from reentry is unwarranted. It concluded that the discharge received was improper.

FINDING: The DRB voted unanimously to *approve* the applicant's request to upgrade his discharge narrative reason, and to change the reentry code. It did not change the discharge characterization.

CONCLUSION: After a thorough review of the available evidence, to include the Applicant's issues, summary of service, service/medical record entries, and discharge process, the Board found the discharge was improper. Therefore, the awarded characterization of service shall remain "Honorable," the narrative reason for separation shall change to "Secretarial Authority," and the reentry code shall change to "3K." The Air Force DRB (AFDRB) results were approved by the board president on 27 September 2023. If desired, the applicant can request a list of the board members and their votes by writing to:
