

AIR FORCE DISCHARGE REVIEW BOARD DECISIONAL DOCUMENT

SUMMARY:

The applicant was discharged on 10 March 2022 in accordance with Air Force Instruction 36-3208, *Administrative Separation of Airmen*, with an Entry Level Discharge for Fraudulent Entry. The applicant appealed for an upgrade of his reentry code.

The applicant was not represented by counsel.

The applicant requested the board be completed based on a records only review. The Board was conducted on 19 October 2023.

The attached examiner's brief (provided to applicant only), extracted from available service records, contains pertinent data regarding the circumstances and character of the applicant's military service.

DISCUSSION: The Discharge Review Board (DRB), under its responsibility to examine the propriety and equity of an applicant's discharge, is authorized to change the characterization of service and the narrative reason for discharge if such changes are warranted. If applicable, the board can also change the applicant's reentry code. In reviewing discharges, the board presumes regularity in the conduct of governmental affairs unless there is substantial credible evidence to rebut the presumption, to include evidence submitted by the applicant. The Board completed a thorough review of the circumstances that led to the discharge and the discharge process to determine if the discharge met the pertinent standards of equity and propriety.

The documentary evidence the Board considered as part of the review includes, but is not limited to the DD Form 293, *Application for the Review of Discharge from the Armed Forces of the United States*, and any additional documentation submitted by applicant and/or counsel; the applicant's personnel file from the Automated Records Management System (ARMS); and the DRB Brief detailing the applicant's service information and a summary of the case.

The applicant requested an upgrade of the reentry code so that he may reenlist.

The DRB reviewed the applicant's entire service record and found no evidence of impropriety or inequity to warrant an upgrade of the discharge. Furthermore, the applicant's request for a change of re-entry code to allow for re-enlistment could not be supported due to current policies. Under DoDI 6130.03, Medical Standards for Appointment, Enlistment, or Induction in the Military Services, under Learning, Psychiatric, and Behavioral Condition, the applicant's reported history of mental health conditions or disorders prior to and during service are considered disqualifying conditions for induction into military service. Liberal consideration is also not applied to the applicant's petition due to his reason for ELS discharge being exempt for consideration under this policy.

FINDING: The DRB voted unanimously to *deny* the applicant's request to upgrade his discharge characterization, to change the discharge narrative reason, and to change the reentry code.

Should the applicant wish to appeal this decision, the applicant must request a personal appearance before this Board before applying for relief to the Air Force Board for Correction of Military Records (AFBCMR). In accordance with DAFI 36-2603, *Air Force Board for Correction of Military Records*, all applicants before the AFBCMR must first exhaust available administrative avenues of relief before applying to the AFBCMR, otherwise their AFBCMR case will be administratively closed until such time that the applicant avails themselves of the available avenue of relief. Therefore, should the applicant wish to appeal this decision, they must first exercise their right to make a personal appearance before the AFDRB.

CONCLUSION: After a thorough review of the available evidence, to include the Applicant's issues, summary of service, service/medical record entries, and discharge process, the Board found the discharge was proper and equitable. Therefore, the awarded characterization of service shall remain "Entry Level Separation," the narrative reason for separation shall remain "Fraudulent Entry," and the reentry code shall remain "2C." The Air Force DRB (AFDRB) results were approved by the board president on 21 October 2023. If desired, the applicant can request a list of the board members and their votes by writing to:
