

SUMMARY: The Applicant was discharged on 25 April 2024 in accordance with Department of the Air Force Instruction 36-3211, Military Separations, with a Under Honorable Conditions - General for Misconduct Drug Abuse. The Applicant appealed for an upgrade of their discharge characterization.

The Applicant requested the Board be completed based on a records only review. The Board was conducted on 31 October 2024. The Applicant was not represented by counsel.

The attached examiner's brief (provided to applicant only), extracted from available service records, contains pertinent data regarding the circumstances and character of the Applicant's military service.

DISCUSSION: The Discharge Review Board (DRB), under its responsibility to examine the propriety and equity of an applicant's discharge, is authorized to change the characterization of service and the narrative reason for discharge if such changes are warranted. If applicable, the Board can also change the Applicant's reentry code. In reviewing discharges, the Board presumes regularity in the conduct of governmental affairs unless there is substantial credible evidence to rebut the presumption, to include evidence submitted by the Applicant. The Board completed a thorough review of the circumstances that led to the discharge and the discharge process to determine if the discharge met the pertinent standards of equity and propriety.

The Applicant's record of service included the following documented misconduct leading up to their discharge:

The Applicant was derelict in their performance of their duties and willfully failed to refrain from using Delta-8 (THC 8).

The documentary evidence the Board considered as part of the review includes, but is not limited to the DD Form 293, *Application for the Review of Discharge from the Armed Forces of the United States*, and any additional documentation submitted by applicant and/or counsel; the Applicant's personnel file from the Automated Records Management System (ARMS); and the DRB Brief detailing the Applicant's service information and a summary of the case.

The Applicant requests the board to upgrade their character of service; however, their contentions were not clearly stated. Nonetheless, the Applicant submitted three character references for consideration.

After reviewing the service record, the DRB found no evidence to indicate that the Applicant was unaware of the Air Force policy of zero tolerance for illegal drug use. The Board found that the negative aspects of the Applicant's willful misconduct outweighed the positive aspects of their military service and therefore warranted the character of service accompanying the discharge. The Board determined that there was no inequity or impropriety in the discharge and therefore denied the request to upgrade the Applicant's discharge characterization.

Additionally, the Board considered the factors laid out in the attachment to the Under Secretary of Defense memorandum, *Guidance to Military Discharge Review Boards and Boards for Correction of Military/Naval Records Regarding Equity, Injustice, or Clemency Determinations*, dated 25 June 2018, known as the "Wilkie Memo." The Board considered the factors listed in paragraphs (6)(a)-(6)(l) and (7)(a)-(7)(r) of this memorandum and found no evidence of inequity or impropriety.

FINDING: The DRB voted unanimously to *deny* the Applicant's request to upgrade their discharge characterization.

Should the Applicant wish to appeal this decision, the Applicant must request a personal appearance before this Board before applying for relief to the Air Force Board for Correction of Military Records (AFBCMR). In accordance with DAFI 36-2603, *Air Force Board for Correction of Military Records*, all applicants before the AFBCMR must first exhaust available administrative avenues of relief before applying to the AFBCMR, otherwise their AFBCMR case will be administratively closed until such time that the Applicant avails themselves of the available avenue of relief. Therefore, should the Applicant wish to appeal this decision, they must first exercise their right to make a personal appearance before the AFDRB.

CONCLUSION: After a thorough review of the available evidence, to include the Applicant's issues, summary of service, service/medical record entries, and discharge process, the Board found the discharge was proper and equitable. Therefore, the awarded characterization of service shall remain "Under Honorable Conditions – General," the narrative reason for separation shall remain "Misconduct – Drug Abuse," and the reentry code shall remain "2B."
