

SUMMARY: The Applicant was discharged on January 5, 2022 in accordance with Air Force Instruction 36-3208, *Administrative Separation of Airmen*, with an Under Honorable Conditions (General) Service Characterization for Misconduct – (Drug Abuse). The Applicant appealed for an upgrade of their Service Characterization.

The Applicant requested the Board be completed based on a Record Review. The Board was conducted on June 24, 2025. The Applicant was not represented by counsel.

The attached examiner's brief (provided to applicant only), extracted from available service records, contains pertinent data regarding the circumstances and character of the Applicant's military service.

DISCUSSION: The Discharge Review Board (DRB), under its responsibility to examine the propriety and equity of an Applicant's discharge, is authorized to change the Characterization of Service and the Narrative Reason for discharge if such changes are warranted. If applicable, the Board can also change the Applicant's Reentry Code. In reviewing discharges, the Board presumes regularity in the conduct of governmental affairs unless there is substantial credible evidence to rebut the presumption, to include evidence submitted by the Applicant. The Board completed a thorough review of the circumstances that led to the discharge and the discharge process to determine if the discharge met the pertinent standards of equity and propriety.

The Applicant's record of service included the following documented misconduct leading up to their discharge:
-Article 15 for wrongful use of cocaine, a Scheduled II controlled substance

The documentary evidence the Board considered as part of the review includes, but is not limited to the DD Form 293, *Application for the Review of Discharge from the Armed Forces of the United States*, and any additional documentation submitted by Applicant and/or counsel; the Applicant's personnel file from the Automated Records Management System (ARMS); and the DRB Brief detailing the Applicant's service information and a summary of the case.

The Applicant did not contend any impropriety or inequity in their discharge. Rather, they are seeking clemency, asserting the incident was isolated and not reflective to their overall character or commitment to service. They stated that they have since taken steps to prevent recurrence and would like a chance to reenlist in the Air Force Reserves.

The DRB determined the discharge was proper and equitable. After reviewing the Applicant's records their misconduct is in alignment with their current service characterization of an Under Honorable Conditions (General). However, the Applicant has been actively working alongside a recruiter who is willing to submit a waiver for their reentry into the military. Therefore, the Board decided to grant a partial upgrade based on clemency and change the Applicant's reentry code.

Additionally, the Board considered the factors laid out in the attachment to the Under Secretary of Defense memorandum, *Guidance to Military Discharge Review Boards and Boards for Correction of Military/Naval Records Regarding Equity, Injustice, or Clemency Determinations*, dated 25 June 2018, known as the "Wilkie Memo." The Board considered the factors listed in paragraphs (6)(a)-(6)(l) and (7)(a)-(7)(r) of this memorandum and found no evidence of inequity or impropriety.

FINDING AND CONCLUSION: After a thorough review of the available evidence, to include the Applicant's issues, summary of service, service/medical record entries, and discharge process, the Board found the discharge was proper and equitable. However, based on clemency, the DRB voted two to one to *partially*

approve the Applicant's request. Therefore, the awarded Service Characterization shall remain Under Honorable Conditions (General), the Narrative Reason for separation shall remain Misconduct – (Drug Abuse), and the Reentry Code shall change to 3K. The DRB results were approved by the Presiding Officer on June 30, 2025.

Should the Applicant wish to appeal this decision, the Applicant must request a personal appearance before this Board before applying for relief to the Air Force Board for Correction of Military Records (AFBCMR). In accordance with DAFI 36-2603, *Air Force Board for Correction of Military Records*, all Applicants before the AFBCMR must first exhaust available administrative avenues of relief before applying to the AFBCMR, otherwise their AFBCMR case will be administratively closed until such time that the Applicant avails themselves of the available avenue of relief. Therefore, should the Applicant wish to appeal this decision, they must first exercise their right to make a personal appearance before the AFDRB.
